Phase 1 of Noble Bears Athletics Reopening Plan June 8-June 25

1. Participation in these workouts is to acclimate our student athletes back into the physical demands of competitive athletics. The safety of our students and coaches is the most important aspect of everything we do. Athletes unable or uncomfortable attending, will not be punished or disciplined in any way. If you don't feel well, please don't attend. Our goal is to bring our athletes back to campus and help prepare them for full Summer Pride in July, and Fall Sports.
2. 9th-12th grade student athletes only during the month of June. We will evaluate the success and implementation at the end of June before announcing plans for July.
3. Athletes will have their temperature taken and a brief Covid Screening completed before entering the facility. Any student with a temperature over 100 degrees will be sent home and not allowed to return until the next day. This will provide us with our own tracing form should we have anyone test positive for the virus.
4. Athletes are to report to their assigned areas as determined by their coaches, dressed and ready to work out. All students are encouraged to bring their own towel and water bottle each day. No sharing of personal items will be allowed. Hand Sanitizer will be available and must be used, in all areas for students and coaches, before and after each activity. All equipment will be cleaned on a continual basis.
5. All efforts will be made to ensure Social Distancing at all times. It will be imperative that our student athletes understand and help us to comply with process. Masks may be worn by students when participating in passive activities. Masks won't be worn in any activity requiring physical exertion. Coaches are encouraged to wear masks, bandanas, or other face covering when closer than 6' from students.
6. Locker Rooms will not be opened for use.
7. Workouts will last no more than 90 minutes.
8. Parents, siblings, etc. are not allowed inside the workout areas, rooms or fields.

9. Physicals from the 2019-2020 school year will be good until July 15th. We will not be able to conduct physicals on site due to the restrictions. Student athletes will be responsible for obtaining their physical for 2020-2021 by July 15th to be able to continue with Summer Pride and Fall Sports after that date.

We are excited for the return of our student athletes. Our coaching staff will be reaching out to all of our student athletes. We have listed our schedule below. Should you have any additional questions or concerns, please contact the athletic department at 872-7521. Together we are better. Go Bears!
