

REGISTRATION INFORMATION FOR PARENTS

IF YOUR FAMILY LIVES IN ANY OF THE FOLLOWING SITUATIONS:

- In a shelter
- In a motel or campground due to lack of an alternative adequate accommodation
- In a car, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

Your eligible children have the right to:

Receive a free, appropriate public education

Enroll in school immediately, even if lacking documents normally required for enrollment;

Enroll in school and attend classes while the school gathers needed documents; and

Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference and is feasible.

(If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.)

Receive transportation to and from the school of origin, if you request this.

Receive educational services comparable to those provided to other students, according to your children's needs.

Access to free meals, Title I, and other educational programs, transportation to extra-curricular activities to the same extent that is offered to other students in the district.

If you think your children may be eligible, you may speak to a school based district homeless liaison by checking a box below. Would you like to discuss this matter?
