

Elementary School Breakfast Policy

Elementary Students at Heber Springs School District have an opportunity to eat school breakfast until 8:30 am every morning! Students who start their day with a healthy school breakfast have better attention and can focus on what is being presented instead of thinking about being hungry. The cafeteria is open from 7:30 am until 8:30 am every morning. Bus and car riders can go straight to the cafeteria.

Second Breakfast

Middle School and High School Students have the opportunity to eat breakfast from 7:30 am until 8:00 am and then again from 9:00 am until 9:30. This second breakfast gives athletes who arrive at school before first period a chance to have a nutritious breakfast as well as any other student who wants to go to the cafeteria and get food.

School Breakfast for all paid students is \$1.50.

USDA IS AN EQUAL OPPORTUNITY PROVIDER.
