

Dear LHS Summer School Student and Parent,

Logansport High School will have a session of summer school June 1-June 26, 2020, for courses online except for painting the art mural downtown. Your student can take summer school to earn additional high school credits or recover credits from the previous semesters. Students can keep their LCSC device and return it at the end of summer school this year. If you have returned the LCSC device during the laptop collection period at the end of the school year, we will have a distribution of laptops on June 1st and June 2nd from 8:00am-3:00pm from the LHS Main office lobby. If you are unable to pick your device up during the time given, please contact Mr. Dubes at 574-753-0441. If you have a technology issue during summer school, please contact your teacher who will then contact IT to resolve the situation and any need of repair. Additional information will come on collection at the end of the session.

STUDENTS PLEASE CONTINUE TO CHECK YOUR LOGANBERRIES.NET EMAIL and PowerSchool account. Teachers will be emailing students on Friday, May 29th, to prepare them for the class to start on June 1st. Student participation and attendance will be as follows: No more than 2 missed days; after day 3 the student will be dropped from the course, no grade awarded, or credit recovered. Their schedule will reflect the entire course the following year on their 2020-2021 schedule. Participation is mandatory to earn the credit in 19 days.

The following courses will be available to students for the 2020 Summer School:
