URGENT ATTENTION NEEDED
RESPONSE NECESSARY BY AUGUST 6, 2020
TMS/CHS BUS SERVICE FOR 2020-2021

July 27, 2020

Dear Parent/Guardian:

Your home address is one that was deemed ineligible for transportation under Board Policy 8600. *Board Policy 8600 Pupil Transportation* may be viewed on the district website, www.hvrsd.org, by using the *Board of Education* and then *Board Policies* links.

As we have done in the past, the Board is prepared to assist parents who are interested in parent-paid transportation for students by arranging for subscription bus service. Essentially, this would mean paying for a seat for your child for the year. The cost for this option would be \$150 per child up to the family cap of \$300.

As was the case this year, the Board anticipates that a police officer will remain assigned to help students cross Rt. 31 at the Delaware Avenue traffic light.

If you are interested in this service, please return the enclosed application form for Hazardous Subscription Bus Service with payment (see payment instructions at the bottom of the application form) to the attention of Ms. Heather Van Mater before **August 6, 2020**. **This information is needed to solicit quotes for transportation services for the 2020-2021 school year. Please note that the Transportation Department may not be able to guarantee that a seat will be available for your child if a request is received after this deadline.**

In an effort to reduce capacity on the buses due to protocols established to fight Covid-19, we are asking families to consider not using the service this school year unless necessary.

If you do not wish to receive this service or have, any questions please call Heather Van Mater at 609 -737-4002 ext. 2804 or email at heathervanmater@hvrsd.org

Sincerely,
