Voluntary Pre-Kindergarten (VPK/K4) Program

Attendance and Tardiness Policy

2020-2021

School starts: August 10, 2020

School ends: May 28, 2021

Weather make-up days: **As needed**

All families will receive a calendar showing scheduled days off for the operational school year of 2020- 2021. Attendance during the scheduled instructional days is of utmost importance to remain in the VPK program. Attendance is the “Key to Success” for VPK funding and your child’s education.

5 Day Start-Up Period: All children attending the VPK Program are expected to be in attendance each day of the Start-Up Period. This is important for establishment of funding and also establishing classroom community and routines to help assure a successful and meaningful program.

Tardiness: The instructional day starts promptly at 9:00 am and all students are expected to be ready to start the day. Arrivals after 9:00 am are disruptive to the classroom and difficult for the arriving child. We understand that an occasionally tardiness is unavoidable; however, more than twice a month is cause for termination from the VPK program. If a child arrives after 9:00 am, a tardy slip must be issued before entering the classroom.

**Students enrolled in the ½ day morning class may arrive to school no earlier than 8:50.

**Students enrolled in the ½ day afternoon class may arrive to school no earlier than 12:20.

Absences: Students enrolled in the VPK program are allowed 3 unexcused absences per month. Students with absences beyond 3 days are required to provide documentation to the school for continued funding in the VPK program. Without proper documentation, the parent will be required to pay the Tuition Cost and also the VPK funding amount.

****Note: A student that is absent for 5 consecutive instructional days, without a phone call from a parent, will be considered terminated from the VPK program.**

Verification: The Seacoast Preschool Teachers will ask you to sign a monthly attendance log. Your signature will verify the attendance of your child, and will allow the Early Learning Coalition of Duval County to make the payment for your child’s education.

****Note: Without the monthly signature, VPK will not reimburse Seacoast for your child’s tuition and you will be responsible for the tuition.**

To participate in the VPK Program at Seacoast Christian Academy Preschool, I agree to comply with the terms of this Attendance and Tardiness Policy. My signature below is acknowledgement of my review and acceptance of the term of this policy.

DISCIPLINARY PRACTICES ACKNOWLEDGEMENT
2020-2021

It is our responsibility to model for the children what is acceptable behavior at our preschool. Our staff establishes and consistently enforces reasonable, age-appropriate limits which help foster self-discipline within a child. SCAP emphasis on what children “may do” rather than on what they “may not do”.

- We use a positive approach, using firmness
- We make suggestion rather than give commands
- We give a child reasons why we do certain things
- We follow through when we have asked for a response to a request
- We teach a child to finish what he/she has begun
- We let a child do for himself in appropriate situations
- We use soft voices when speaking with a child
- We remember that children learn through actions
- We clearly define limits for children to follow
- We are consistent
- We try to anticipate and avoid unpleasant situations
- We talk with a child in regards to “inappropriate choices” and also let him/her know that we still love them
- We pray for and with students
- When needed, a child may be sent to the “thinking area” to rest and collect himself

CLASSROOM POLICIES & DISCIPLINE PROCEDURES

We have set forth a Simple Rule System. There are only 5 major rules that children are asked to obey:

- I will keep my hands, feet, and objects to myself.
- I will respect myself, my classmates, my Teacher, and my Teacher Aide
- I will listen and follow directions the first time they are given
- I will raise my hand when I want to answer questions
- I will always do my best

We have developed the following Classroom Disciplinary Plan that will be in effect at all times. We use the “Clip Chart System”. The “Clip Chart” is divided into 7 sections that are labeled. Students will have clothespins with their names written on them. The clothespin can be moved up and down the chart. All students will begin at the level of “Ready to Learn” each day. Teachers will ask students to either “clip up” or “clip down” to a certain level depending on the student behavior. If your child is required to move their clip, the teacher will note it on their Daily Communication Folder. This report is signed nightly by you, the parent.

If a child continues to have difficulty in the class, a conference may be requested by the Teacher or Director to discuss a plan of action. If the plan of action does not appear to help the child regain self-control, then the parent may be asked to withdraw the child. This is strictly enforced for the safety and well-being of the child and his/her fellow classmates. If deemed necessary, a child may be sent home for the day for aggressive or inappropriate behavior. If the parent does not pick-up the child within 1 hour of the phone call, the child will be suspended for the following day.

I have read and understand the above disciplinary practices used by Seacoast Christian Academy Preschool and agree to give my full cooperation in teaching my child self-discipline.

SCREENING & ASSESSMENT PERMISSION
2020-2021

Dear Parents/Guardians:

The first five years of life are very important to your child because this time sets the stage for success in school and later in life. During infancy and early childhood, many experiences should be gained and many skills learned. It is important to ensure that each child's development is proceeding without problem during this period; therefore, we are interested in helping you follow your child's growth and development.

Screening is a process to determine if a child has any developmental concerns that may require further attention and follow-up.

Assessment is the process to monitor growth and development of certain skills and knowledge on an ongoing basis.

Screening and Assessment are directly linked to lesson planning and meeting the individual needs of children. Our goal is to ensure that your child is prepared to enter kindergarten at the age of five.

Seacoast will be administering the Ages and Stages Questionnaire for all children ages 12 months to 5 years. This developmental screening will be administered at least once per academic year. K3 and VPK classes will participate in our Seacoast assessments in the beginning, middle and end of the school year. In addition, the VPK assessment will be administered 3 times a year for VPK students.

Information gathered from the observations and screenings will be used to help your child with developmental growth and success. These results are confidential and will be shared with you in writing or in a documented parent-teacher conference.

Sincerely,

Eugenia Fafard
Head of Schools
