61. BEHAVIOR GUIDELINES: Due to the Covid-19 pandemic the structure of Pirate Camp has been changed to closely align with the CDC recommendations. A small group of children will be grouped with consistent staff members, the groups will use separate spaces so large groups will be avoided as much as possible. With this structure in place, children must be able to follow directions, respect boundaries, and have the ability to work within the camp schedule. Children must want to attend camp and be willing to participate in the activities. Due to following the CDC recommendations, Pirate Camp has modified the behavior rubric to include the following: When the child's needs for individual emotional, social, and behavioral support are greater than what the staff can provide in a small group setting and as a result, the care and support are compromising the health and safety of the other children, the parents must meet with Brian Wardlow to discuss how to move forward safely before the child can return to camp. *

Licensing Checklist

63. I understand the following: Children may not be dropped off prior to 6:30 AM and must be picked up by 6:00 PM to avoid additional fees. Families whose children remain in care after closing are charged \$10.00 for the first 5 minutes and \$1.00 per minute thereafter per family. Staff has the option to contact the persons designated on the emergency card to arrange for pick-up after 6:00 PM. I am still responsible for late fees. The official clock will be the Country Elementary School cafeteria clock. Children must be signed in and out by parents or other persons designated on the emergency cards. Staff may request picture ID of anyone picking up children. Phone calls are appreciated when arriving late, but they do not exempt late fees. Due to bus availability we do not accept unscheduled children on field trip days. Lunches and snacks are to be brought each day for my child. Drinks should not be in glass containers. The latchkey center maintains a licensing notebook on all licensing inspection reports, special investigation reports and all related corrective action plans. The notebook will be available to parents for review during regular business hours. Licensing inspections and special investigation reports from the past two years are available on the Bureau of Children and Adult licensing website at www.michigan.gov/michildcare. *
