Dear Parent or Guardian,

In accordance with the Every Student Succeeds Act (ESSA), Hoopeston Area CUSD #11 is notifying every parent/guardian of a student in a Title 1 school that you have the right and may request information regarding the professional qualification of your child's classroom teacher. This information regarding the professional qualifications of your child's classroom teachers include, at the minimum, the following:

- Whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing have been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If at any time, a teacher not highly qualified has taught your child for four or more consecutive weeks, the school will notify you. If you have questions, please contact your child's school principal or the district office.

Kind Regards,

Mrs. Suzi Root
Maple Grade School, Principal
Hoopeston Area CUSD #11 Title 1 Director
