

## ❖ Benefits of Membership:

- Prepares students for high school and above
- Brings opportunity to participate in activities which benefit the school, community, and students

## ➤ What is Honor Membership?

To obtain honour membership, you must qualify for membership and complete all requirements for three trimesters.

## Participation and Referral as member:

Students participate in group or individual community service activities and successful CJSF members are required to participate in school activities.

Any referral or suspension can result in your membership and you being revoked for that trimester.

## ➤ What is CJSF?

California Junior Scholarship Federation is a state-wide organization to foster high standards of scholarship, service, and citizenship on the part of students in private and high school.

## ❖ How to Join?

Students need to get a specific number of points in their report cards from their core academic classes (Math, LA, SS, Science). A “D” or “F” can result in disqualification, along with any “U” or “N” marks of citizenship. Students must also turn a \$5 membership due with the application and an academic transcript.

## ➤ What awards to members receive?

- The official gold CJSF Honor membership Pin
- “CJSF Honor Member” stamped in your permanent folder
- A certificate of recognition with CJSF gold seal
- CJSF recognition in the 8<sup>th</sup> grade promotion paper program
