

# RMMS LEADERSHIP MAKE YOURSELF PROUD

## Year- long Leadership class

This program has been developed to offer the student body of Ruth Musser Middle School an opportunity to develop leadership skills. The objective of the program is two-fold. Firstly, to present individual growth opportunities for eighth grade students in the skill areas of leadership. Secondly, as the students grow in these skill areas, it is hoped that the result of their growth will benefit the school as a whole. Leadership students will design, organize, and implement activities and programs which will enhance the culture of Ruth Musser Middle School
