

RMMS Bulldogs Race for the Cure

HAVE EMPATHY FOR FAMILY AND FRIENDS WITH CANCER WHILE INCREASING YOUR AWARENESS OF CANCER

Want to become passionate about fighting cancer?

We would like to make children with cancer feel loved and are no different than everybody else. We would also like to financially help find a cure for cancer.

Our Goals:

- Develop empathy for family members and friends who have or had cancer
- Connect with teens who have or had cancer
- Find out more about ground breaking research on cancer
- Help people understand the importance of cancer prevention and early detection
- Participate in Holiday Toy Drive
- Participate in Inland Empire Relay for Life
- Fundraise for the American Cancer Society

Join us on Tuesdays from 2:45 to 3:30 in Room 33. See Mrs. Greene for questions.
