

Pandemic EBT

While schools are closed due to COVID-19, families with children age 5-18 who received free or reduced-priced meals from August 2019-May 2020 will receive up to \$291 per child in Pandemic EBT (P-EBT) benefits to purchase food. This benefit is in addition to any other services families are currently receiving.

How will families receive their P-EBT benefits?

Most families with eligible children recently or currently participating in Food Assistance, Child Care or TANF (cash assistance) programs will automatically receive the one-time benefit to their EBT card in the next few weeks.

Families not actively participating in these programs, but whose children receive free or reduced-price meals will be mailed a Kansas Benefits Card with benefits pre-loaded in the next few weeks. If these families do not receive a Kansas Benefits card by **June 5th**, they may need to provide additional information to DCF. These families should watch for a confidential weblink provided by their school district.

Use it like a debit card.

Families will receive the P-EBT benefit on a Kansas Benefits Card. This card functions like a debit card and can be used to purchase eligible food items at EBT authorized retailers. Non-food items *may not* be purchased with this card.
