The complaint must be filed within 90 calendar days of the alleged violation.

B. The Human Rights Officer is responsible for receiving oral or written complaints of unlawful discrimination toward an employee or student. However, nothing in this policy shall prevent any person from reporting unlawful discrimination toward an employee or student directly with the Human Rights Officer, the school board or other school district official.

C. The school board hereby designates the Superintendent of Schools, as the school district Human Rights Officer(s) to receive reports, complaints, or grievances of unlawful discrimination. If the complaint involves a Human Rights Officer, the complaint shall be filed directly with the school board chair. To reach the Human Rights Officer, contact:

D. The Human Rights Officer may request but not insist upon a written complaint. Alternative means of filing a complaint, such as through a personal interview or by tape recording, shall be made available upon request for qualified persons with a disability. If the complaint is oral, it shall be reduced to writing within 24 hours and forwarded to the superintendent. Failure to do so may result in disciplinary action. The school district encourages the reporting party to complete the complaint form for written complaints. It is available from the principal of each building or the school district office.

E. The school district shall respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses, consistent with the school district's legal obligations to investigate, take appropriate action, and comply with any discovery or disclosure obligations.

INVESTIGATION

for complaints of disability discrimination, or a school district official or neutral third party designated by the Title IX coordinator, Section 504 coordinator or Human Rights Officer. The investigation shall be completed within 30 days of the complaint, unless impracticable.

B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of other methods deemed pertinent by the investigator.

C. In determining whether the alleged conduct constitutes a violation of this policy, the school district shall consider the facts and the surrounding circumstances such as the nature of the behavior, past incidents or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incident occurred.

D. The school district may take immediate steps to protect the parties involved in the complaint process, pending completion of an investigation of alleged unlawful discrimination.

E. Upon completion of the investigation, the school district investigator shall make a written report to the Human Rights Officer. If the complaint involves the Human Rights Officer, the report may be filed directly with the superintendent or school board. The report shall include the facts, a determination of whether the allegations have been substantiated, whether a violation of this policy has occurred as well as a description of any proposed resolution which may include alternative dispute resolution.

F. The district shall comply with federal and state law pertaining to retention of records.

The decision of the school district investigator is final but does not preclude pursuit of alternative complaint procedures noted in the section entitled "Right to Alternative Compliant Procedures."

SCHOOL DISTRICT ACTION

A. Upon conclusion of the investigation and receipt of the findings, the school district shall take appropriate action. If it is determined that a violation has occurred, such action may include, but is not limited to, warning, suspension, expulsion, transfer, remediation or termination.

School district action taken for violation of this policy shall be consistent with the requirements of applicable collective bargaining agreements, Minnesota and federal law and school district policies.

Retaliation includes, but is not limited to, any form of intimidation or harassment.

CONFLICT OF INTEREST
