Dear Parents/Guardians:

As the school year comes to an end, I would like to take a moment to say miigwetch. I wanted to thank everyone who made distance learning the best it could have been for our students. Miigwetch to our teachers who quickly adapted their teaching to an online format. Miigwetch to our counseling staff who made sure to stay connected to our families to provide emotional support. Miigwetch to our lunch staff who provided meals 7 days a week to the children in our community. Miigwetch to YOU, the grown-ups who helped your students navigate online learning. And miigwetch to our students! We are so proud of all of your hard work. We know none of this was easy on any of you and we commend the efforts you were able to put forth.

I would also like to inform you on some end of the year updates.

- The last official day of school is Friday, June 5th.
- Report cards will be printed and mailed home stating next week. There will be no grades for marking period 4 and only effort grades were awarded for marking period 3.
- Chromebook return will begin on Tuesday, June 9th from 9:00a.m.-2:00 p.m. with additional dates and times to follow.
- Student's personal items from their desks and lockers can be picked up during the Chromebook return times as well.
- Fall registration for K-5th grade students will be available online later this summer. Please watch the SCA website and Facebook page for updates.

I hope you all have a fun and safe summer. We still do not know what school will look like in the fall, but we hope to see you all as soon as we can.

Chi-Miigwetch,

Kara Hotchkiss
