

Campbellsport Parents: April 17, 2020

As you have heard, Governor Evers has issued an executive order closing schools for the remainder of the 2019-20 academic year. We are saddened that our classrooms and hallways will continue to remain empty as we deeply miss all of our students. Educational expectations continue from the State of Wisconsin, Department of Public Instruction for public school districts. Students need to continue to complete school work as assigned by their teacher(s) through the end of the scheduled school year. Besides virtual delivery systems, the 'Exchange Centers' continue to be a means of assignment handling per your needs and the individual teacher direction. These spaces besides having new air purifiers are cleaned and sanitized twice a week. The administrative staff had begun planning for the possibility that classes may not meet again this school year. We have started discussions on grading implications, declaring an ending date for "classes", how student lockers/desks will be processed, the credit impact for high school students, return of Chromebooks checked out and the list goes on. Events like graduation, prom, spring concerts, grade promotions and other celebrations hit everyone as great losses and we will do our best to recognize them at another time or in other ways. Your student's principal will be in contact with you as they develop plans for these. We understand the significant impact this has on your family, and want you to know that we are here to support and encourage. Together, we must keep your students learning through this education situation whether offsite/virtually. We know families may need additional support at this time; please remember that our school counselors are available. The best manner to connect with them is directly at their email address or through your student's principal. We will continue to provide a free lunch and breakfast to any student age 18 and under on school days. Hours for pick-up will continue to be between 11am - 1pm at the three school locations. If you did not have the chance to sign up and would like to be added to the list for the Grab and Go Breakfast/Lunch Program please use the following links: For Students attending Campbellsport Public Schools: https://docs.google.com/forms/d/e/1FAIpQLSdVtqFQgVqS70uvmAknuFF9q1TiLpcfwrRskwOIOkPwGux1_A/viewform For Private/Homeschooled Students residing in the Campbellsport School District <https://docs.google.com/forms/d/e/1FAIpQLSeHRH9e323bZ6pQc1GYeaEw-zVUvrPmcwcHNYuVI0wVxhSYMg/viewform> Please watch for other communications from your student's teachers, principal and myself. We will release information related to this situation as processes are developed.

Sincerely,

Paul A. Amundson, District Administrator
