The Law

The most recent law that affects Title 1 is the Every Student Succeeds Act (ESSA) (Public Law 114-95 Section 1116). The law requires:

- that school districts have a written policy regarding parental involvement;
- that parents be involved in the design, operation, and evaluation of Title 1;
- that parents be consulted about home/school activities and be trained to help their children;
- that whenever possible, activities should be presented in the language spoken by the majority of the Title 1 parents.

Purpose

The Title I program is designed to meet the needs of **all** children attending Nixon-Smiley Middle School.

Title I programs are also designed to expand the educational opportunities for increased student academic achievement and help students:

- succeed in regular programs
- attain grade level proficiency, and
- improve their achievement in the basic and more advanced skills.

Title I funds help support our school district to provide staff and educational services.
