

Ebooks and Audiobooks Available Free this Summer

Milan Community School Corporation is committed to bringing unique learning opportunities to our students and we are pleased to introduce a new, free reading service providing digital books through Sora, the student reading app.

Why Sora?

The collection of titles in Sora is an extension of the Milan Community School Corporation's physical library, only it's in an app with 24/7 access to ebooks and audiobooks. It's convenient for students to check out titles at home, on the weekends or during school breaks with no worry about misplacing a book or running up late fees – these digital titles automatically return at the end of the lending period!

Sora can help students of all ages read more and improve comprehension. Struggling or reluctant readers, learning-challenged, second language learners, and gifted readers can all benefit from this service.

- Enrich vocabulary and improve comprehension and pronunciation
- Introduce students to books above their reading level
- Teach critical listening
- Help busy kids find time to read
- Incentivize reading with fun avatars and achievements
- Allow easy access to the public library's collection, too! (in the Sora menu select: +Add a public library). You must have a library card to use the public library collection at this time.
- Also under the public library, with no card needed, add audiobooksync for more audio book choices. This is free for the summer.

How does it work?

Download the free Sora app from the Apple App store, Google Play Store or visit soraapp.com, borrow with code **milanin** or click <https://soraapp.com/library/milanin> (use your school email to log in) and enjoy anytime, anywhere on a computer, tablet, or smartphone.

Whether a student's interest lies in classics for required reading, or the latest popular juvenile or young adult fiction, they can find it all in Sora!
