

Wabaunsee USD 329

2020 Summer Activities Plan

Guiding Principles:

#1 Absolutely Minimize the Risk to Spread COVID-19 within our populations through the actions we take.

#2 While following State, County, and KSHSAA health guidance, we want to provide an environment where kids are socially engaged and maintaining a fit lifestyle.

#3 While following State, County, and KSHSAA health guidance, we want to create an environment where our students can prepare for upcoming athletic and activity schedules.

#4 All summer activities and/or athletic workouts are considered voluntary. No student or family should feel obligated or pressured to attend summer activities.

Understandings:

#1 If there are any new health situations that arise, Administration will seek out the best information that they can in the time frame they are given. If Administration ever lack the necessary information to make an informed decision, they will err on the side of public health.

#2 This plan is subject to change in response to new guidance from the State of Kansas, the County Health Department, or the administration of USD 329.

#3 Social Media

- a) Do not post pictures or video on social media online.
- b) Social Media posts using Wabaunsee handles should not undermine State, County, or district authorities.

#4 Students and Sponsors will have to assist in the cleaning of equipment and facilities at the end of their practices, workouts, or sessions. We want to develop a culture where students engage in the hygiene necessary to reduce the risk of COVID-19 spread.

#5 If either students or staff are unable to follow the procedures put into place to maintain a healthy and safe environment, then it is understood that administration may reduce, change, and/or end any summer activities in place.

Check-Ins and Tracking

Students and coaches participating in Wabaunsee's summer activities will complete the KSHSAA COVID-19 Athlete/Coaching Monitoring Form

Health Safety Standards

Assumptions for this plan to go into effect:

- 1) We have approval of the County Health office with a proposed opening of June 15th.
- 2) Guidance issued by State, County, or KSHSAA authorities do not conflict with our current plan.

We want to develop a culture where students engage in the hygiene necessary to reduce the risk of COVID-19 spread.

Students will be asked to engage in basic hygiene practices:

1. All students will “scrub in” and “scrub out” by either washing their hands for 20 seconds with soap and water or using hand sanitizer for any activity they engage in.
2. Students not engaged actively in work-outs will be required to wear a mask.
3. Between drills/sessions students will take the time to sanitize and/or wash their hands and shared equipment. This includes cleaning when exchanging weight room equipment, cleaning of hand held equipment such as blocking shields, etc. Including the scrub in at the beginning of a work out and the scrub out process at the end of a workout.
4. All athletic equipment will be disinfected/cleaned at the end of all workout sessions OR allowed to sit for 3 full days before being used again.
5. Balls should be cleaned intermittently during workouts with disinfectant.
6. Athletic equipment that is shared should be cleaned between each use.
7. Students should take a shower once they have returned home.
8. Students will not share items such as clothing or towels. They are allowed to bring their own if they wish.

Facilities that are touched will need to be cleaned between sessions. Shower facilities will be closed. Restroom facilities will only allow for limited access of one student at a given time.

Following CDC guidelines, if within 6 ft of a student for longer than 10 minutes all coaches will be required to wear masks when working with students.

Students will be required to bring their own water jugs with their name on it. Students will not be allowed to use common sources to refill their water and not allowed to share their water jugs. Drinking fountains will not be accessible.

Building/Exterior Facility Access

Student/Coach access to the building for Athletics purposes will be limited to entry to the SE weight room entrance .

Proposed Summer Schedule:

Pre-Summer Activities

- Coaches Meeting and Training Monday June 8 at 10 AM-WHS commons.

Student Groups

1. Weight Lifting and Conditioning Groups will be assigned. Once assigned, students will not be allowed to attend weights/conditioning sessions that they are not assigned to as to prevent students from crossing groups.
2. All students will be tracked using COVID-19 AthleteCoach Monitoring Form for individual sports activity sessions. If any symptoms from the tracking form are shown, the student-athlete will be sent home and the parent notified.

Phase 1 – Beginning Monday June 15th through June 19.

Check ins will be held outside.

1. Maximum number of students participating outside is 45 plus coaches in one space with social distancing required.

Phase 2 – Beginning June 22 through June 26th

1. Check ins will be held.
2. Limited access to weight room facilities.
3. Utilizing CDC guidelines regarding 6 ft social distancing effort should be made to space students out as much as possible under these circumstances.

Phase 3 – Beginning June 29 through August 15th

1. Following KSHSAA Guidelines

Communication Plan:

Should Wabaunsee become aware of a potential COVID-19 case from our student population, USD 329 will notify the Wabaunsee County Health Department and follow their guidance regarding notification of individuals who have been exposed.

Wabaunsee will keep accurate records of student participation along with pre-screened questions at all Wabaunsee sponsored workouts and events.

Wabaunsee will utilize the Skyward Messenger system to notify impacted families, coaches, and staff who may be impacted by possible exposure, again following Wabaunsee County Health Guidance.

USD 329 Summer Activities Waiver for COVID-19

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) be exposed to or infected by COVID-19 by attending USD 329 summer activities on or off campus. I understand that the risk of becoming exposed to or infected by COVID-19 may result from the actions, omissions, or negligence of myself and others, including, but not limited to, USD 329 employees, volunteers, and program participants and their families. I hold harmless any USD 329 employees or volunteers during these summer activities.
