Dear District 163 Family,

It is with great sadness that I inform you that Antoine Jackson, a third-grade student at Mohawk Primary Center, died on Friday, June 5th from trauma suffered in a house fire. Antoine was a student in Ms. Johnson's class this year and has been a District 163 student since pre-kindergarten. Our hearts and prayers go out to the family and his sister at this tragic time. No one can ever be prepared for the death of their child. Antoine was an enthusiastic and loving student who will be missed by all of the staff and students.

Friends of the family and other community members have organized to collect donations for the family. We have spoken to one of the organizers and they stated that the family has been amazed at the outreach and generosity from School District 163. The family is still in need of gift cards for the purchase of urgent needs and also need essential household items. Cards for the Jackson family can be mailed to 229 Fir Street, Park Forest, IL.

The Board of Education and our entire school community offer our heartfelt sympathy to Antoine's family and friends.

Sincerely,

Dr. Regina Nottke
