2019-20 Phase Three: Executive Summary for Schools

2019-20 Phase Three: Executive Summary for Schools

Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Harrison County High School serves approximately 915 students in grades 9-12 in the Cynthiana and Harrison County area. Harrison County is a rural community. Located between the cities of Cincinnati, Ohio and Lexington, Kentucky, many residents find their employment in these areas or nearby at Toyota Motor Manufacturing. Like many Kentucky counties Harrison has transitioned from being agriculturally based to being rooted in the ever changing world of industry and technology. Our school system, one of the largest employers in the county, is blessed with a supportive community who partners with them to educate the youth of Harrison County. There are approximately 75 full time staff.

School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

Our mission at Harrison County High School is to prepare each student for continuing or higher education, a meaningful career or work, military or public service, and to become a responsible, engaged citizen of our community and country. Harrison County High School has a population made up of different socioeconomic levels and cultural interests. To provide an education that will give students the tools to perform to the challenges of the twenty first century will take the efforts of parents, schools, and all segments of the community. The students themselves should not only be recipients of these efforts, but they should play an active and involved role in this learning process.

Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

Additional Information

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

Harrison County High School is a professional learning community that seeks to improve student performance by creating the best possible learning environment through the collaborative process. Our Comprehensive School Plan (CSIP) reflects this commitment. Our administrative team and faculty meet regularly to target areas where student learning could be refined further. From these exchanges, four areas of concentration were determined for the CSIP: 1. Student Performance 2. Next Generation Learning Environment/Program Reviews 3. College and Career Readiness 4. Novice Reduction Harrison County Schools shares and seeks feedback on the comprehensive planning process, from its stakeholders, through a variety of avenues: 1. Posting of all comprehensive plans (school level and district) on our school website - www.harrison.kyschools.us. 2. Providing feedback links, via the web, throughout the school year on all plans. 3. Instruction and Information on the process through our weekly YouTube program. 4. Instruction and Information on the process through our local radio programs. 5. Instruction and Information on the process through our local newspaper. 6. Instruction and Information on the process through our school pointe app and district Facebook page.
