Ryan Public Schools Senior Graduation will be held Saturday, June 27, 2020, at 7:00 P.M.

As we strive to make this a memorable event and honor our graduating class of 2020, we must remember that all CDC Guidelines need to be adhered to. Because of this, graduation will be held at the Ryan Football Field. We ask that anyone in attendance please be respectful of those around you and follow all CDC recommendations. At the same time, we want everyone to enjoy the opportunity to honor our Seniors and to continue to be safe and healthy.

All parents, family, friends, and guests of our graduates will be able to view the graduation from the football field, we request that you bring a chair for your comfort. There will be areas marked off for the graduated as well as the graduates immediate family.

Any questions you have concerning the graduation can be answered by calling the Superintendent or Principal's Offices at the numbers listed above.
