Tully2018!

Complete “Comparing with Adverbs” and “Writing Titles” worksheet.

## On-Demand Writing Tasks:

The following on-demand writing tasks do not specify what **type** to write. Practice deciding what **type(s)** would be appropriate for expressing your ideas in these writing situations and tasks:

<p><b>Writing Situation:</b> Underline the <b>KEY</b> words:</p>	<p><b>Writing Directions:</b> Underline the <b>KEY</b> words:</p>	<p>Possible Forms could be Letter Article, Narrative, Speech, Blog, Essay, Email, Editorial, Journal Entry, (others).</p>
<p>5.  Current issues affect our world, our environment, our community, our school, and our families. These issues can include government policies, scientific research, pollution, hunger, and rising prices, but many people do not seem concerned. To promote public awareness about these issues the local newspaper is seeking input.</p>	<p>Select one current issue that you feel people should be concerned about. Present your ideas regarding this issue. Support your position with specific reasons why the readers should be concerned about this issue.</p>	<p><del>Type</del> I chose: _____ Audience: _____ Purpose: _____</p>
<p>6.  A school district has a new school. On the first day, the students realize that they are the first people to sit in the desks, use the books, walk the halls, and set the traditions for all the students in the years to come. One teacher suggests that everyone write about his or her first day in the school. The narratives will be placed in a book to be placed in the library for the students who attend in the years to come.</p>	<p>Think about what it would be like to be the first to attend a new school. Write an entry for the book, and tell about that first day. Describe what you do, see, and think throughout that first day.</p>	<p><del>Type</del> I chose: _____ Audience: _____ Purpose: _____</p>

Day 13 - Reading

# Writing Titles

**Rachel's Journal: The Story of a Pioneer Girl**

Grammar: Spiral Review

**1-6. Identify the titles in the following examples and indicate what kind of treatment they require.**

1. When I was a child, my favorite TV show was *Prairie Days*.

\_\_\_\_\_

2. The author wrote a book about the state's early settlers called *Hearty Folk*.

\_\_\_\_\_

3. Henry wrote a poem called *The Mountain Pass*.

\_\_\_\_\_

4. The magazine article was titled *Tales from the Trail*.

\_\_\_\_\_

5. In the movie *Finding the Frontier*, the young girl learned to gather wild berries.

\_\_\_\_\_

6. Old copies of the *Territory Reporter* have many news stories about pioneer days.

\_\_\_\_\_

**7-12. Provide for the proper capitalization of the sample titles given.**

7. my life in the wilderness \_\_\_\_\_

8. the life and times of a mountain man

\_\_\_\_\_

9. of mountain high and river wide

\_\_\_\_\_

10. life, liberty, and the pursuit of happiness

\_\_\_\_\_

11. the elephant who tried to swim in the ocean

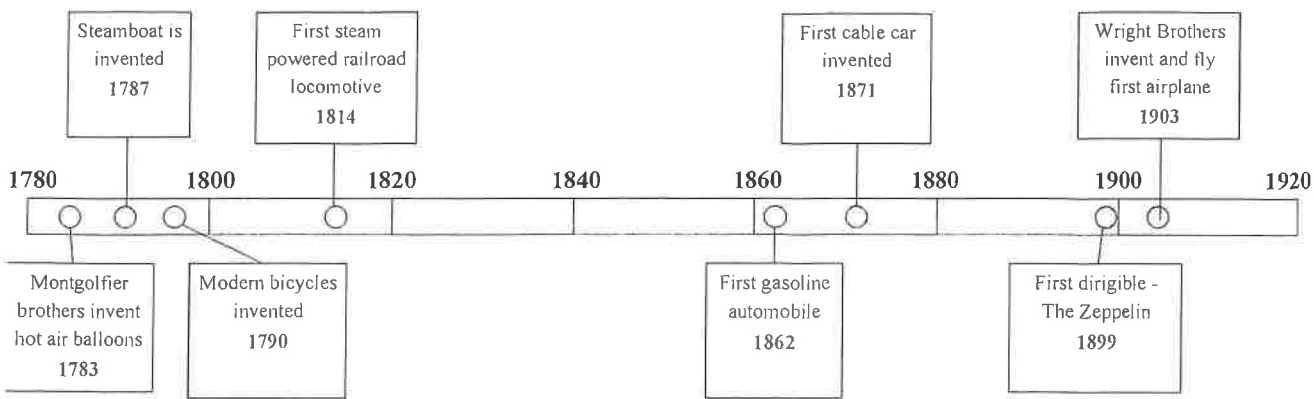

\_\_\_\_\_

12. if at first you don't succeed, try, try, again

\_\_\_\_\_

Use the timeline below to answer the questions.

### Major Events in Transportation

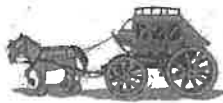

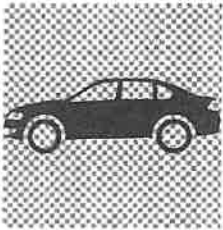

- 1) Which happened earlier? A. First cable car invented or B. First gasoline automobile invented \_\_\_\_\_
- 2) What year were modern bicycles invented? 1790 or 1871
- 3) How many years after the first dirigible was created was the first airplane invented? 18 or 4
- 4) What year was the steamboat invented? 1783 or 1787
- 5) What is the span (number of years shown) of this timeline? 140 or 1920
- 6) What year was the cable car invented? 1862 or 1871
- 7) What year were hot air balloons invented? 1814 or 1783
- 8) The first modern helicopter was invented in 1940. Could you put this event on the timeline above? ( Yes / No )
- 9) What is this timeline about? Transportation or Balloons
- 10) What event happened in 1903? Wright brothers invent and fly first airplane or First gasoline automobile

### Answers

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_
6. \_\_\_\_\_
7. \_\_\_\_\_
8. \_\_\_\_\_
9. Circle Correct Answer
10. Circle Correct Answer

### Changes in Transportation Writing Assignment

1820	1840	1850	1870	1890
Horse	Covered wagon	Stagecoach	Railroad	Cars
				

Transportation changed dramatically in the 19th century. The timeline above shows how as our country expanded westward, Americans began developing methods to travel faster.

If you lived in the 1800's which of the modes of transportation above would you have chosen and why? Be sure to include 3 distinct reasons to support your opinion.

**Homework & Practice 16-2**  
**Classify Quadrilaterals**

**Another Look!**

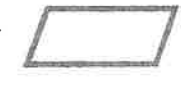

Some quadrilaterals have special properties.

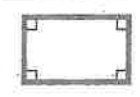

A **trapezoid** has one pair of parallel sides.

A **parallelogram** has two pairs of opposite sides parallel and equal.

A **rectangle** is a parallelogram with 4 right angles.

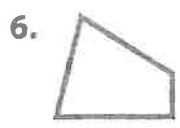

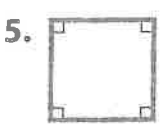

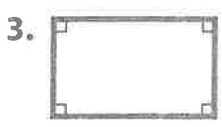

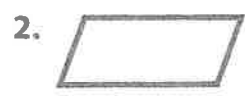

A **rhombus** is a parallelogram with 4 equal sides.

A **square** is a parallelogram with 4 right angles and 4 equal sides.

In 1–6, identify each polygon. Describe each polygon by as many names as possible.

7. © **MP.6 Be Precise** A parallelogram has one side that is 4 centimeters long and one side that is 6 centimeters long. What is the perimeter of the parallelogram? Explain.

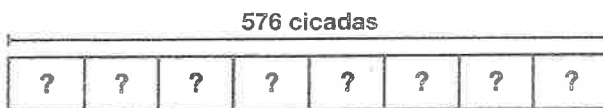

How can you find the perimeter of a parallelogram?

8. **Math and Science** In 2013, a wildfire near Yosemite National Park burned about 400 square miles of forest. If one square mile equals 640 acres, about how many acres of forest were burned? Show your work.

9. **Higher Order Thinking** Marvin says that all rhombuses are squares. Aretha says that all squares are rhombuses. Who is correct? Explain.

10. © **MP.3 Construct Arguments** What characteristics help you tell the difference between a rhombus and a rectangle? Explain.

11. Bella is putting 576 cicadas into 8 different terrariums. The same number of cicadas will be put into each one. How many cicadas will be in each terrarium?

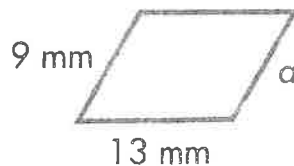

12. © **MP.1 Make Sense and Persevere** A store has caps on display. Five of the caps are red. There are 4 more blue caps than green caps. There are 3 fewer yellow caps than green caps. If there are 24 caps in all, how many caps are there of each color?

### © Common Core Assessment

13. What is the length of side  $a$ ?

- (A) 9 mm
- (B) 13 mm
- (C) 22 mm
- (D) 44 mm

14. Which of the following statements is **NOT** true?

- (A) A trapezoid is a rectangle.
- (B) A square is also a rectangle.
- (C) A rectangle is a quadrilateral.
- (D) A square is also a rhombus.

# Library Activity for NTI Day 13 for grades 2-5

Directions: Circle and complete one of the activities below. Then, write about your reading.

Read in the car	Read with a flashlight	Read in your pajamas	Read a book and talk about your favorite character	Read a book to a friend
Read a book with someone older than you	Read for 30 minutes	Read outside	Re-read an old favorite book	Have an adult read to you at bedtime
Read in a closet	Read a book with pictures	Read at the public library	Read a book with someone younger than you	Read a book and talk about the setting (the where and when)
Read to a pet or stuffed animal	Read a book by Dr. Seuss	Read a chapter book	Read under a table	Read a book while wearing a hat
Read a nonfiction (true) book	Read in a fort made of blankets	Read at a park	Read a recipe while helping to make food	Read a book and draw a picture of your favorite part

Book Title: \_\_\_\_\_

Author: \_\_\_\_\_

Main Characters: \_\_\_\_\_

Setting: \_\_\_\_\_

Did you like this book? Why or why not?
