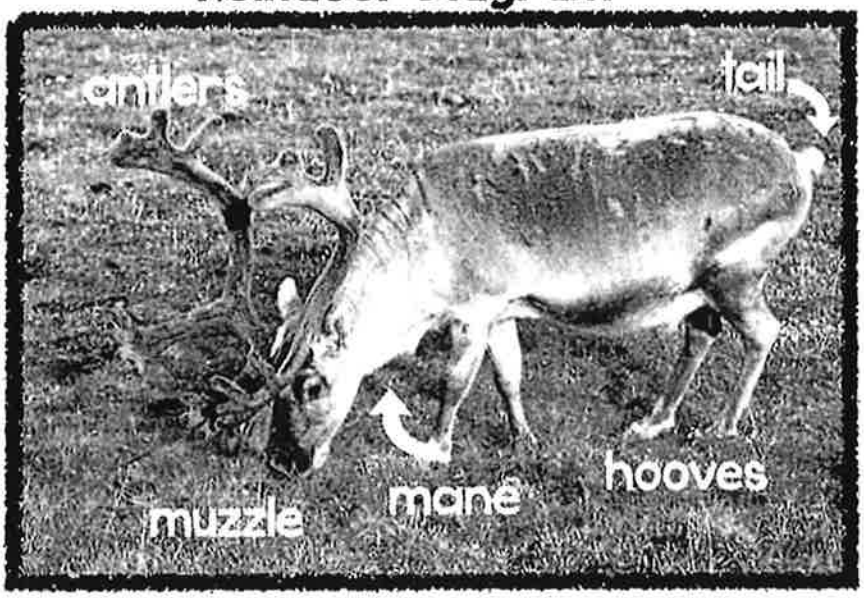
All About Reindeer

INFORMATION SHEET

Reindeer Diagram



Did You Know???

Reindeer are the only deer in which both males and females grow antlers. Every year, they shed their antlers. The new antlers that will grow in grow in bigger and stronger.

Some reindeer are domesticated. **Domesticated** means to be tame or kept as pets. People that live near the Arctic use them to pull sleds.

IT'S A BABY!

A baby reindeer is called a **calf**. It can start running a few hours after it's born.
