

Metuchen High School
Drive-Up Graduation Ceremony
Frequently Asked Questions

1. How many family members are allowed
Only one car per graduate is allowed. Parents should determine who will attend the drive-up.

2. Photographs – Please arrange with a family member to take a family photo during your designated scheduled time next week.
We will not be using PM Studios for photographs.

3. How/where will the teachers be lined up for the seniors to see?
If teachers are able to attend, they would be on the practice Football Field. We have to limit how many teachers can attend due to the 25 person gathering guidelines.

4. What will we do if it rains?
If it rains for part of the day, we will try to get in as many as possible according to the schedule. If we have to postpone for a full day, that day's schedule will move to that same day the following week (June 22nd through June 26th).
