ANTIOCH COMMUNITY HIGH SCHOOL

SAT Test Prep Class Registration 2019

Juniors - Reach your full potential on the SAT!

This year, an SAT Prep class will be offered by Antioch Community High School to current juniors and taught by District 117 teachers. The objective of the class is to learn and practice test-taking strategies in preparation for the SAT exam within the comfort of familiar classrooms and content teachers. Students will attend a series of sessions that will acquaint them with the expectations of the test, enable them to analyze their own results on the practice test, and sharpen their understanding of key skills covered on the test.

Scores from the SAT exam are used for college admissions and scholarship applications. Antioch offers two time frames to accommodate students involved in athletics and activities. The first session is from 3:15-4:15 pm, and the second session is from 5:30-6:30 pm. All classes are held at Antioch. There is a national SAT scheduled for all ACHS juniors on April 9, 2019, so the SAT Prep class will take place in February and March to provide ample preparation time.
