

## Cowley College Debit Card Information

Students should go ahead and activate their card as described in the mailings they are receiving. Just be sure to stress to **HOLD ONTO THE CARD**. They can set it back in a safe place if they don't plan to use it. These will be needed for refunds if they plan on coming to Cowley next year or plan to sell back their textbooks. (If they activate the card and then misplace it, a replacement card would be \$10 later on.) If they don't activate their card, then there is no replacement cost, however, they won't be able to have any refunds posted to it.

Beginning this semester Cowley College will begin disbursing all refunds, including financial aid refunds and bookstore refunds, to each student's very own Cowley College Discover® Prepaid Debit Card!

These are “Prepaid” cards and are not credit cards. They will not affect a student's credit.

Students/parents can load extra funds on the card and use it for personal use. It does not have to be used solely for Cowley payments.

Students must have activated their prepaid debit card in order to receive any refunds. Activation is completed at [www.acceluraid.com](http://www.acceluraid.com).

Again, students should watch for it in the mail. If you would like to see more about the new card, visit <https://www.acceluraid.com>
