CENTRALIAN

**We
Stood On
Our Heads
To Please You
The Staff**

What is it that gives Central High School its own individual personality? What is this "IT" that makes Central unique from other high schools?

Could it be the faculty and administration that supply this "IT"? The teachers are always willing to help us, if we ask for their aid and guidance. They also serve in different capacities as our class advisors. They assist us in planning the various activities of our different organizations such as: F.F.A., F.T.A., Smoke Signal staff, Annual staff, and many others.

Is this the "IT" we're searching for?

Or is this "IT" the classes and courses offered in our school? Our three main courses are the college preparatory, general course, and the commercial course. Do these courses and the classes offered by them make up the "IT" that we are looking for?

Maybe "IT" could be all the organizations in which we participate during the year. Is "IT" playing in the band and practicing our formations for football games or singing in the Mixed Chorus and practicing for the Christmas concert, music contest, and the Spring Concert? Is "IT" planning our school paper or rushing to beat the deadline on our annual? Maybe "IT" is participating in F.F.A. or F.T.A., serving on the Student Council, helping in the office or serving as Librarians. Are these Clubs the "IT"?

Could "IT" be the different activities which we participate in throughout the school year? Is "IT" the football games, and the excitement of Homecoming, the coronation of the King and Queen, the bonfire and the Homecoming Dance? Could "IT" be the class plays, the Junior Class Play and the Senior Class Play? Maybe "IT" is our big social event of the year, the Junior-Senior Prom or our other big dance, the Sno-Ball? Could "IT" be the different athletics which we support and participate in during the year.

We hope that we have captured this "IT" by publishing the "Centralian" of 1960.

We, the Senior Class of 1960, dedicate this year's Centralian in memory of MRS. BERYL J. HOPKE, late wife of Mr. Donald Hopke, who was killed in an automobile accident on May 27, 1959.

As a member of the Central faculty Mrs. Hopke taught first grade.

During the one year in this community she had attained many friends and was well-liked by everyone.

Class Ring of 1960

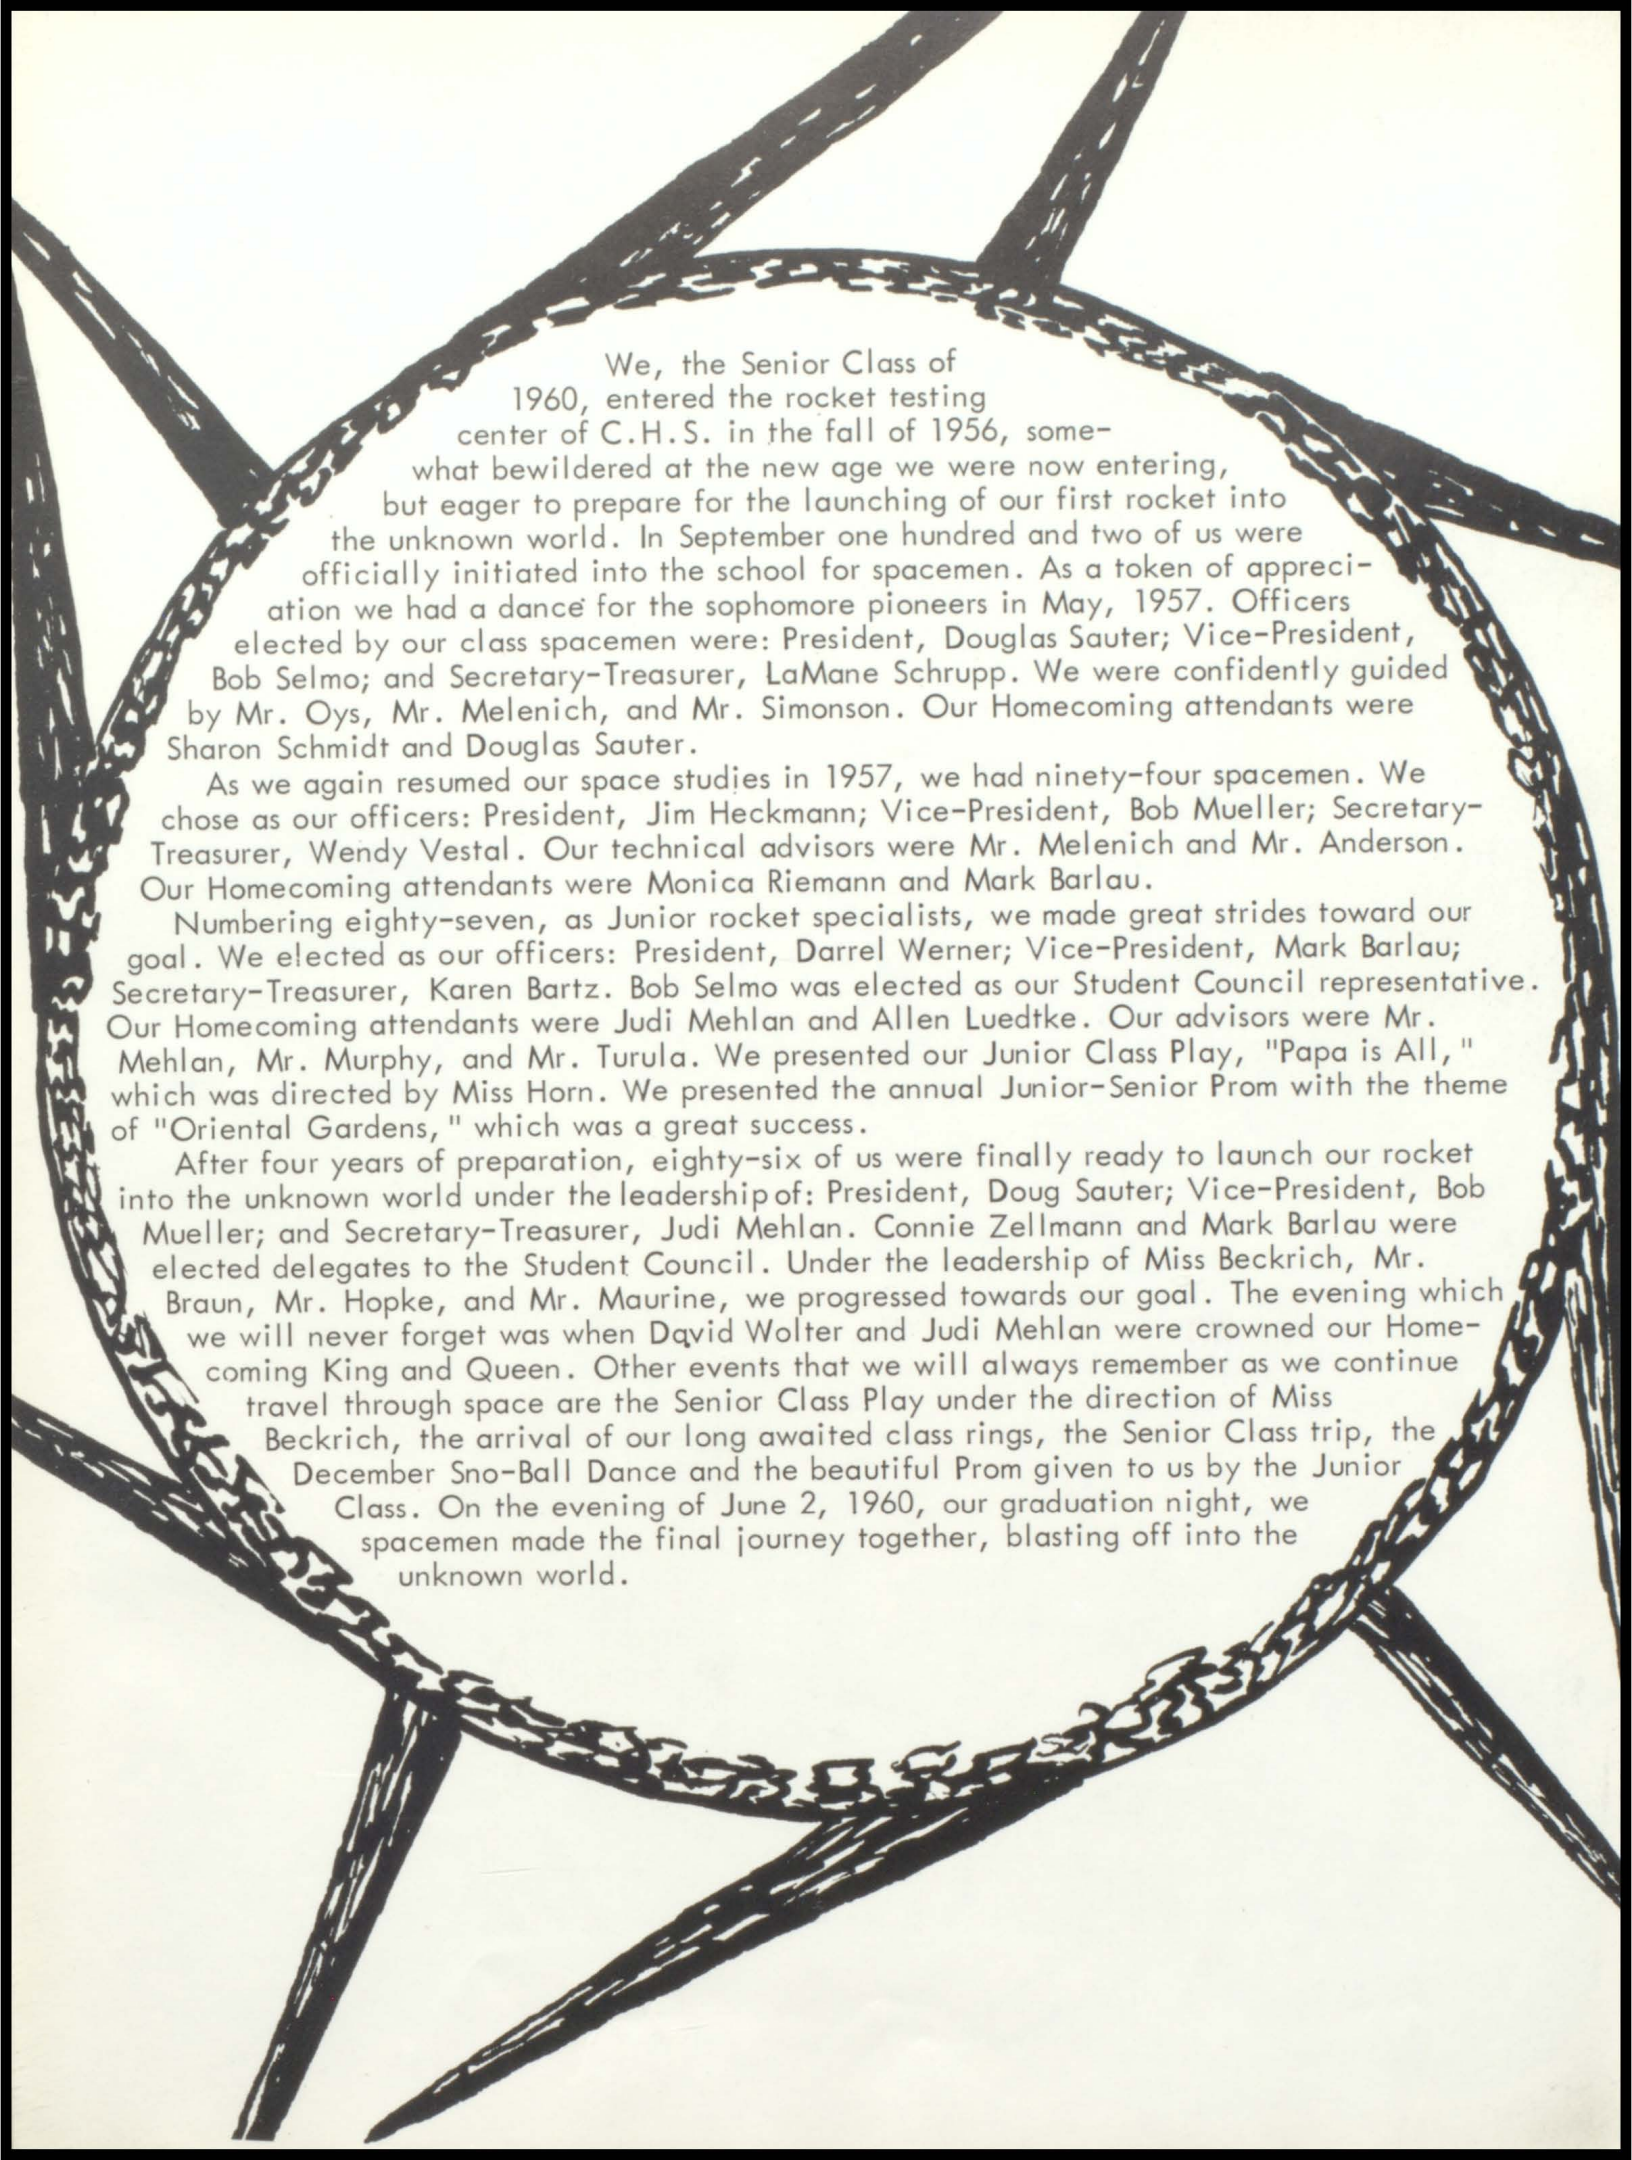

CLASS COLORS: Green and White

CLASS FLOWER: Gardenia

CLASS MOTTO: Look to the future with hope;
 the past only for guidance.

Doug Sauter President
 Judi Mehlan Secretary-Treasurer
 Bob Mueller Vice-President

We, the Senior Class of 1960, entered the rocket testing center of C.H.S. in the fall of 1956, somewhat bewildered at the new age we were now entering, but eager to prepare for the launching of our first rocket into the unknown world. In September one hundred and two of us were officially initiated into the school for spacemen. As a token of appreciation we had a dance for the sophomore pioneers in May, 1957. Officers elected by our class spacemen were: President, Douglas Sauter; Vice-President, Bob Selmo; and Secretary-Treasurer, LaMane Schrupp. We were confidently guided by Mr. Oys, Mr. Melenich, and Mr. Simonson. Our Homecoming attendants were Sharon Schmidt and Douglas Sauter.

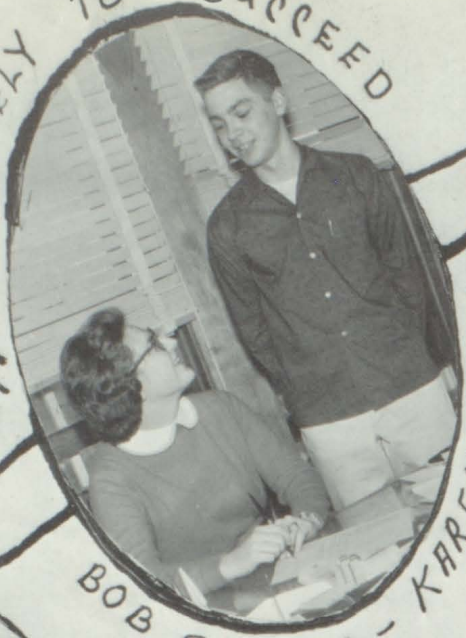

As we again resumed our space studies in 1957, we had ninety-four spacemen. We chose as our officers: President, Jim Heckmann; Vice-President, Bob Mueller; Secretary-Treasurer, Wendy Vestal. Our technical advisors were Mr. Melenich and Mr. Anderson. Our Homecoming attendants were Monica Riemann and Mark Barlau.

Numbering eighty-seven, as Junior rocket specialists, we made great strides toward our goal. We elected as our officers: President, Darrel Werner; Vice-President, Mark Barlau; Secretary-Treasurer, Karen Bartz. Bob Selmo was elected as our Student Council representative. Our Homecoming attendants were Judi Mehlan and Allen Luedtke. Our advisors were Mr. Mehlan, Mr. Murphy, and Mr. Turula. We presented our Junior Class Play, "Papa is All," which was directed by Miss Horn. We presented the annual Junior-Senior Prom with the theme of "Oriental Gardens," which was a great success.

After four years of preparation, eighty-six of us were finally ready to launch our rocket into the unknown world under the leadership of: President, Doug Sauter; Vice-President, Bob Mueller; and Secretary-Treasurer, Judi Mehlan. Connie Zellmann and Mark Barlau were elected delegates to the Student Council. Under the leadership of Miss Beckrich, Mr. Braun, Mr. Hopke, and Mr. Maurine, we progressed towards our goal. The evening which we will never forget was when David Wolter and Judi Mehlan were crowned our Homecoming King and Queen. Other events that we will always remember as we continue travel through space are the Senior Class Play under the direction of Miss Beckrich, the arrival of our long awaited class rings, the Senior Class trip, the December Sno-Ball Dance and the beautiful Prom given to us by the Junior Class. On the evening of June 2, 1960, our graduation night, we spacemen made the final journey together, blasting off into the unknown world.

CLASS PROPHECY

In the year 1980 I decided that it was time to take a vacation. I hopped into my trusty rocket ship which was stationed at the Central launching pad. Before taking off, I refueled at Bruers Supersonic Service Station. I discovered this was run by none other than RONNIE BRUERS with CAROL JEAN HERMANN as chief mechanic and GERALD FELTMANN as grease monkey.

I blasted off and landed on the moon. There I stopped to eat at Barlau's Breakfast Shack. The name sounded quite familiar and when I asked the waitress, whom I recognized as JUDIE HERD, to see the owner, she led me to the back room. Sure enough, there was the boss MARK BARLAU arguing with the chief cook JUDY MERTZ. The dishwasher JUDI MEHLAN, was having a struggle keeping them in line it seemed. After eating breakfast I decided I needed some camera films, I stopped next door at Dittmar's Drug Store. There JANICE greeted me along with GORDY HERMANN who manufactured her famous no color, no light, no picture, economy priced film. I bought several rolls and I took off once more.

My next stop was Mars. There I saw KAREN ARNTZEN'S School for Little Green People. While we were visiting, BOB SELMO came in and swept the floor of the schoolroom. I decided to tour the school further and stopped in the music room. There I heard some awful wailing which turned out to be JERRY KAHLE practicing on his saxophone. His assistant was MERLE ZUEHL who had organized a Schnitzelbunk Booban Band. Among the players were ORMAND OSTILE, KAREN BARTZ, DAVID SCHMITZ, and CAROL KOHLS. Next we stopped at the Superintendant's office and there with his feet on top of the desk sat MARVIN CEBULLA. I visited a Senior English class taught by multi-millionaire DELWYN WICKENHAUSER. Sitting in the class were BERNIE BENEKE, STANELY BENTZ, and JANET ISCHE. I also visited a gym class led by SANDRA MIELKE.

I left Mars and went to Pluto next. I again became hungry and stopped at Pokey's Popcorn Pot run by none other than KAREN EIDEN. The chief saltshaker was RICHARD BRAUNWORTH. While on Pluto I ran into ROY VINKEMEIER reading Macbeth to two fascinated Shakespearean enthusiasts, RONAYE ISCHE and MAVIS LENZ. In his briefcase was a copy of "My First Love" magazine published by DAVID WOLTER. I stopped to eat a hot dog at an exclusive stand run by MARY JANE STENDER, the world's first woman dog-catcher. Next I decided to attend a ladies wrestling match featuring Champion DARLA STOCK vs. DIANE BRAUNWORTH. RAYMOND QUAST refereed the exciting match. Darla won and threw a big party at JOHN NOLL'S Nightclub. JEANIE SCHIMELPFENIG was selling Menzel's Menthol Menace Cigarettes. The lights grew dim and the chorus girls came prancing out onto the stage in a lively can-can led by SANDRA SCHUEBLE.

The next morning I blasted off for Saturn. The first thing to catch my eye was LA VONNE KUENZEL'S Keepsake Ring Factory with diamond shiners, SHARON SCHMIDT and MARLA STENDER. I bought a newspaper from an efficient-looking newsboy, LESLIE WOLTER. On the front page was the news story of the year in which TOM SWANSON, the Master Safe Cracker, had

robbed DICK TELTHEOSTER'S Savings Bank and run off with the teller JOYCE TATTENBERG. On the second page was a "Dear Doug" column with advice given by my old classmate DOUG SAUTER. As I read the column I noticed CLARA WICKENHAUSER'S name. She and her husband, DELMAR DROEGE, had been running a Chicken farm, but when the price of poultry went down they gave up and started raising small fries. Clara was wondering if it was proper to dance the mambo while mopping floors.

I left Saturn to find a warmer climate and went to Mercury. There in Schrupp's Snapshot Shop I found Doug taking pictures of a beautiful red-headed model. I recognized LINDA BUNGE advertising Sta-put Lipstick and practicing on ROLLIE LINDEMEIER. Modeling the newest men's clothing were VIRGIL BENTZ and DAVID OELFKE. Modeling bathing suits were RHODA KLEMP and MARION BLEICHNER.

I stopped for a breather in GERALDINE CARNEGIE'S Coffee Shop. Her specialty was coffee with pizza and sauerkraut, created by LYLE BRECHT.

I spent the night at ALLEN LUEDTKE'S Hotel. In his employment were CAROLYN LUECK as mop shaker and WENDELL STUEWE as bellboy.

The next stop, I made, was on Jupiter. There I found LEMKES' Recreation Center so I went to look around. There I found a rousing tiddly-winks tournament. The competitors were GENELLE BOELKE, JIM HECKMANN, MARY ANN DOERHMANN, and BOB HOLMBECK. Scorekeeper for the girls, was MONICA RIEMANN and scorekeeper for the boys was DAVID GOEDE. They both were crooked. In another corner playing an invigorating marble tournament were DOUG GRELL, DICK WENDTLAND, EVON WILKENS, and CAROL ANN THALMANN. The game got a little rough and one of the team members was fatally wounded by an unusually large marble. The doctor was called from BOB MUELLER'S Butcher Shop to come and examine the victim. He operated but to no avail. The carcass was moved to MANTEUFFELS Mortuary whose encouraging motto is "You Stab 'em, We Slab 'em!" Our hero was buried in a touching funeral with CONNIE ZELLMANN as grave-digger.

Next I took a jaunt over to Neptune. There I found DIANNE SCHROEDER and ROSE ANN SALTEN running a bachelor's home. Helping out were MAUREEN SCHULTZ, MARIE STORMS and ARLYCE WILL. The only male residents were DOUGLAS SCHMIDT and RUSS DINGWALL. The main attraction at the home was RUTH VOLLRATH selling lollipops. After eating one of these I had quite a toothache and so went to the lady dentist in town, who was none other than DARLENE STENDER.

On the way back from the dentist I stopped in at the zoo where CAROLEE STENDER was the monkey-trainer. BARBARA RICHTER was the snake charmer. DARRYL WERNER had also set up a side-show advertising the 8th wonder of the world. It really left everyone wondering.

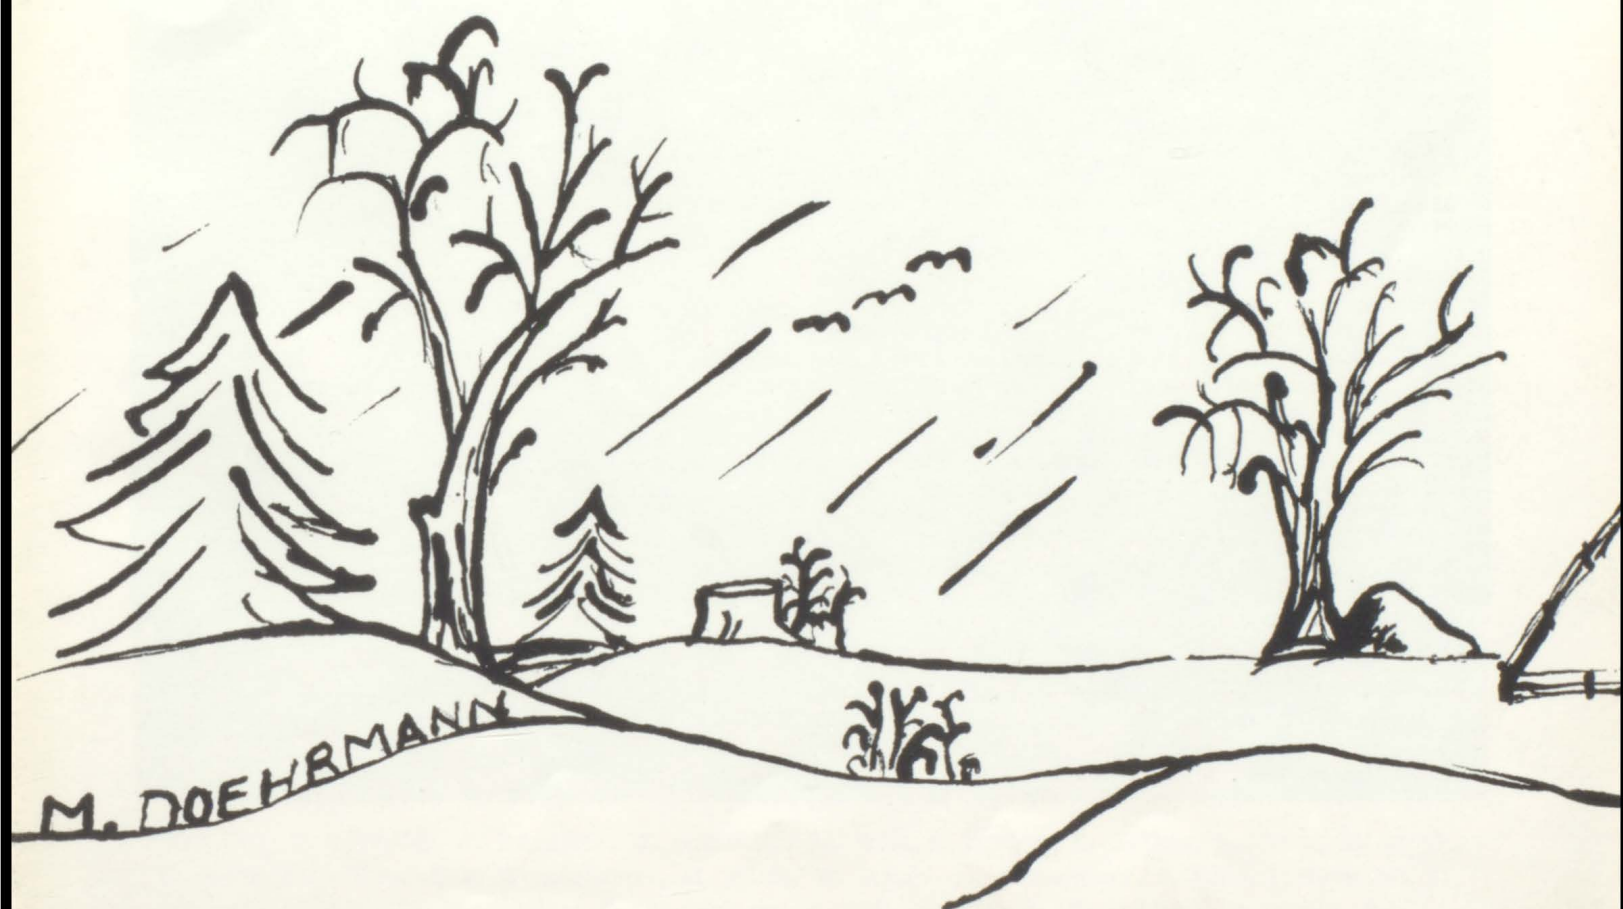

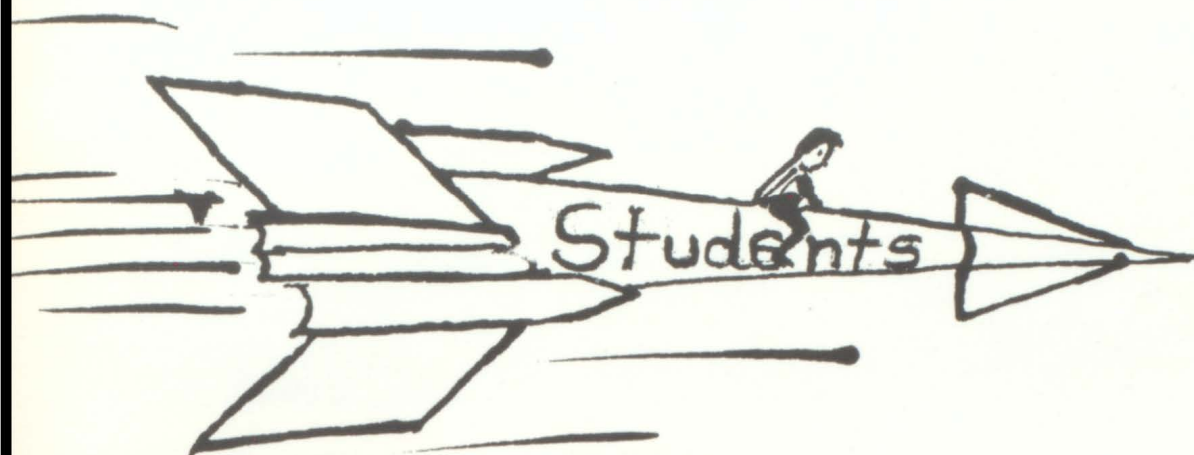

My vacation time was up so I headed back to earth. After I landed I met my long-lost friend WENDY VESTAL. She had stayed on earth because her pet, AGATHA, couldn't stand to be away from OLE. My vacation over, I went home.

"It's the songs ye sing and the smiles ye wear that's makin the sunshine everywhere."
Riley

Central High School's mixed chorus, under the direction of Mr. Schroer, with seventy-nine members, makes it the largest school activity club. This year the chorus sang at the Christmas Concert, the spring concert, and music contest. During Christmas vacation the Choir was also heard over the radio.

CENTRALIAN

The Centralian is growing! We have added four more pages to the 1960 Annual. The staff has inserted many original ideas to create a bigger and better Annual for the students of Central High School.

"But it don't fit there!"

The student librarians this year have performed many necessary library functions. One of their main services has been checking out books for their fellow students. They also have done much work in marking, stamping, and shellacking books and in typing and placing cards and pockets into new and rebound books. They have been assisted in this last job by the advanced typing class, many of whom are also library assistants. They have also done extensive work on the filing of cards and on bringing the card catalog up to date. The checking of books from the grade library has been done mostly by student assistants from the sixth grade under the supervision of their teacher Mr. Schroeder and by one library assistant from the high school, Virginia Hildebrandt. The library club and all activities in both libraries are under the direction of Mr. McGilvra, the librarian.

The school paper is entitled "The Smoke Signal". It is a volunteer organization for those who like to see their work in print. This year, the paper staff is composed of 41 people, namely the reporters and co-editors. Their work pertains to all aspects of the school students, and faculty and is published weekly in the Norwood Times.

The main purpose of our student council is threefold; to promote all general activities of the school, to develop in the student an appreciation of his executive responsibilities, and most important; to bring about a closer relationship between the students and the administration of the school.

Each year the top ranking seniors are selected to the National Honor Society. In order to qualify the members are picked for scholastic ability, character, leadership and service to the school and community.

The local chapter of our F.F.A. is advised by Vo-Ag instructor Clifford Thorson. In the activities during the year we park cars, run a refreshment stand at the County Fair, as well as, show cattle and hogs, and hold a dairy judging contest. Sixteen members entered State Fair activities. Thirty-nine members took part in the Live-stock Marketing School at South St. Paul in October. A registered Holstein calf named "Beautena" was bought jointly by the F.F.A and Howe's Feed Mill in Young America.

The F.T.A.'s activities of 59, 60 ranged from candy sales to student supervision. We also visited St. Cloud State College in May. The F.T.A. has served its school well, and it is hoped that all of its members enrich the teaching profession by becoming teachers.

The C-Club is an organization comprised of all the boys who have won "letters" in the various types of sports.

By running the refreshment stand during basketball games, the C-Club raises money to help finance the "Athletic Banquet," at which the athletes receive the "Letters" which they have won. Also presented at this banquet is the plaque in distinction of the most outstanding Athlete of that year. This award is presented to the Senior who has won the most "letters".

HOMECOMING 1959

Congratulations!

I could have danced all night.

Ain't she sweet!

Homecoming festivities started Thursday evening, September 24, with selections from the band, pantomines, skits and the coronation of our queen, Judi Mehlan and king, David Wolter. This was followed with a pepfest and bonfire on the football field. Students and alumni joined in a snake dance, which concluded the evenings events. Due to rain on Friday evening, September 25, our football game was postponed but our Homecoming Dance went on as scheduled with music provided by Howard's Dance Band. Monday evening, September 28, the Central Indians played the Orono Spartans and during the half Queen Judi and her attendants were escorted around the field while Central's fine marching band performed. The only let down of the week-end was when the Indians had to bow to the Spartans. It was a wonderful weekend, one of which students and alumni will never forget.

JUNIOR-SENIOR PROM

The Junior-Senior Prom was given by the Junior Class on May 1, 1959. The theme was "Oriental Gardens" and the gym was decorated accordingly.

The main attraction was the pool which contained goldfish and daisies. Surrounding this pool were lovely cherry trees. The sophomore girls, who served punch were dressed in kimonos and coolie hats.

We danced to the soft, lingering music provided by the Skylarks.

Though everyone enjoyed themselves immensely there was an air of nostalgia because many realized that this would be the last social function of their high school days.

After bumping through an 11 game schedule with an erratic 7-3-1 record, the Central Indians rolled through the district tournaments by winning 4 tough games within a week to become the District 12 baseball champs.

Coach Ed Braun charges defeated Olivia 4-0 behind Tom Swanson's brilliant no-hitter, and Lyle Brecht's home run. They followed with a 3-2 win over Hutchinson at Glencoe. Les Lehrke and Gerald Roepke led Central's hitting attack. The Indians then advanced into the finals with a 7-0 shutout over Brownton. The Indians rolled to the championship by knocking off Stewart 5-4 in extra innings. Central led throughout the game, but Stewart picked up two unearned runs to tie the game.

The Indians walked off with the championship when George Groenke singled and eventually scored on a passed ball in the 8th inning. Tom Swanson pounded out 3 hits, one with bases loaded triple and held Stewart to 6 hits.

Granite Falls eliminated Central 3-0 at Brownton in the first round of Region 3 play.

Thus a squad consisting of seven seniors and eight underclassmen closed out a successful season in our national sport.

FINIS

With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends we made. It is the hope of the 1960 Centralian Staff that we have captured the "It" we were looking for. We hope that as you glance through this book in the years to come, you will recapture those moments--and the echoes will begin again.

Oh, we love the Halls of Ivy
that surround us here today,
and we will not forget
tho' we be far, far away.
To the hallow'd Halls of Ivy,
ev'ry voice will bid farewell,
and shimmer off in twilight,
like the old vesper bell.
One day a hush will fall,
the foot steps of us all--
will echo down the hall and disappear,
But as we sadly start
our journeys far apart,
a part of ev'ry heart will linger here---
in the sacred Halls of Ivy,
Where We've lived and learned to know,
That thro' the years we'll see you
in the sweet afterglow.
