

Main driving situations for practice:

50 hours is the minimum practice you need to be competent.
You need to be your family's primary driver for the next 5 months.

HAVE THESE SITUATIONS DOWN PERFECT!!

1. Backing up along a curb and out of a parking spot. (50 times minimum practice)
2. Right hand turns on a RED light (50 times minimum practice)
3. Left hand turn on a green light without an arrow (50 times minimum practice)
4. ALWAYS look over your shoulder when turning or lane change. (50 times minimum practice)
 - a. Blinker first
 - b. Then look into to rear view mirror
 - c. Then look into the side mirror
 - d. THEN OVER YOUR SHOULDER
 - e. Finally: make the turn or lane change.
5. Lane changes on Main Street in Bishop and highway (50 times minimum practice)
6. Entering into middle lane on Main Street and turning. (50 times minimum practice)
7. Always get into the bike lane before a right hand turn. (50 times minimum practice)
8. Do not go 1 mile over the speed limit EVER.

Failure to do any of these things with experience, ease and competence will cause you to FAIL the driving test with DMV.
