Once you create your Frontline ID account, you can retrieve a forgotten username and password through the application's sign in page. This credential recovery process allows you to manage your own Frontline ID account without relying on District Administrators for assistance!

The Sign In page includes two links below the entry boxes that read "I forgot my username" and "I forgot my password".

A screenshot of the Frontline ID Sign In page. The page has a white background with a purple border. At the top, the text "Sign In" is centered in a bold, dark grey font. Below this, there are two input fields. The first is labeled "Username" in a small, dark grey font, and the second is labeled "Password" in a small, dark grey font. Both fields are empty and have a light grey border. Below the password field is a blue button with the text "Sign In" in white. At the bottom of the page, there are two links: "[I forgot my username](#)" and "[I forgot my password](#)", both in a small, dark grey font.
