

Information Regarding School Supplies and Fees for 2020-2021

Parents and guardians of Southwest Parke Community School Corporation will notice a change to their student's classroom supply list for the 2020-2021 academic year! During the May 2020 Regular Session, the Southwest Parke Board of School Trustees voted to approve the purchase of student school supplies in bulk. The idea behind this new concept is to (1) assist parents with school supply costs (2) assist all students in having the necessary tools needed in the classroom and (3) to help lower teachers' out-of-pocket expenses by providing common items needed in their classrooms. Elementary students will see a one-time \$9.00 School Supply Consumable Fee, which will replace the old \$6.00 Art Fee and \$3.00 PE Fee. Junior high and high school students will see a one-time \$7.00 School Supply Consumable Fee that will take the place of many consumable fees previously charged by most classes.

Parents will still need to purchase a few items so be sure to check your student's classroom supply list. (i.e. notebooks, pencil cases, calculators...etc.) The following items will be available to all classrooms for the 2020-2021 academic year:

- Facial Tissues
- Disinfectant Wipes
- Hand Sanitizer
- #2 Pencils
- Retractable Ink Pens (Black/Blue/Red)
- 2 Pocket Folders
- Glue Sticks
- Large Erasers
