April 17, 2020

To All Parents and Guardians,

Good afternoon. I hope this message finds you and your families healthy or on the way back to full health. This is still a very critical time in battling the pandemic. As you may have heard, yesterday Governor Murphy extended the closure of all New Jersey schools through at least May 15<sup>th</sup>. He also explained that decisions about schools beyond that date would be made based on science. Like everyone we are hopeful that we will return this year, but we are planning for remote instruction through June and even for our summer programs if needed. Whether we are in-person or via remote learning, we remain committed to providing the best education and also the necessary social-emotional support for both our adults and children.

If you have any questions, or need additional information, please reach out to me or my staff at the phone number listed above. Thank you and stay safe.

Sincerely,

Vincent Caputo, Ed.D.  
Superintendent
