Woodbridge Township School District  
*Summer Reading*  
Entering 6<sup>th</sup> Grade

Dear Students,

As we approach the end of the school year, it is time to start thinking about the pleasures of summer reading. The purpose of the summer reading program is to encourage the enjoyment of reading and the development of our students' independent reading skills.

All students entering sixth, seventh, and eighth grade will read at least one novel. All reading and corresponding assignments will be completed prior to the first day of school in September. Please refer to the attached instructions for further clarification and expectations.

The summer reading assignment will count as a minor assessment grade per assignment. However, during the first few weeks of school, teachers will use the respective book during class as a vehicle to introduce key literary concepts, and students may be required to complete additional assignments at that time.

This year, the book will be distributed to all current 5<sup>th</sup> grade students. Students are required to return the book in September and give it to their 6<sup>th</sup> grade Language Arts teacher.

Happy reading!
