Community

Woodbridge High School is one of three comprehensive four-year high schools located in Woodbridge Township, the sixth largest township in New Jersey. Additionally, the Woodbridge Township School District enjoys the distinction of being the largest suburban school district in the state. Located about twenty-five miles from New York City, the district has over 13,500 students and 25 schools, K-12.

School Staff

Woodbridge High School enrolls over 1475 students. The professional staff consists of three administrators and an instructional staff of 140 with more than 40% holding advanced degrees.

Curriculum

As a comprehensive four-year high school, our curriculum provides excellent instruction and preparation for college bound aspirants, students pursuing alternative forms of postsecondary education and those planning direct entry into the world of work. Each academic department offers a wide variety of course offerings that accommodate the educational needs of our students. Our broad and diversified curriculum features over 20 Advanced Placement subjects and numerous substantive college preparatory classes available at the honors and "R" track accelerated level. For our high academic achievers, we offer a gifted and talented program, dual enrollment college courses, as well as a full complement of special education classes for our special needs students.
