

### PRESCHOOL

Pinckney Community Education Preschool programs are held in our State of Michigan Licensed classrooms. We provide a warm, nurturing setting that encourages children to learn through developmentally appropriate hands-on learning experiences. Our structured and literacy-rich environments allow children to explore the world around them, while they grow socially, emotionally, and academically. By learning concepts in math, science, language, literacy, music, and art, our students are exposed to many educational experiences. Our teachers use the Orton-Gillingham Phonics approach and consult with our kindergarten teachers in order to provide children with important kindergarten-readiness activities. Set within our district's elementary buildings, our students are exposed to and become familiar with our quality buildings.

### **Dance Classes - Ages 3 - 12**

#### CLASSES ARE HELD IN THE HIGH SCHOOL DANCE ROOM

Attire: Leotard and tights or leggings and a comfortable top.

Black tap shoes for tap, pink ballet shoes for ballet, and black jazz shoes for jazz

Instructor: Denise Carson

#### **BALLET**

This classical style is taught at all levels and is a great beginning place for any dancer. Ballet is a graceful, structured form of dance where the steps are built upon year after year. Ballet gives a dancer strength, flexibility, focus, coordination, and is the foundation of the dance world.

#### **TAP**

The world of tap is full of magical rhythm and sounds. Tap dancing focuses more on the feet and what they can do instead of using the whole body to tell the story. Tap compliments ballet nicely for students because tap works on the fine motor skills of the feet. Tap is also a progressive style of dance where you continue to build on what you have learned.

#### **IA77**

Jazz is a more energetic, free flowing style of dance. Students can begin jazz at the age of seven years old and may find some similarities between it and ballet. Not as slow moving as ballet, jazz takes the same steps from ballet and incorporates them into its own style. Jazz is a fun, upbeat, fast-paced form of dance.
