

JSE Café

Healthy Snack Extras

The cafeteria offers healthy snack extras for purchase during lunch in addition to the school daily lunch listed on the monthly menu. All snack extras offered adhere to the *Smart Snacks in Schools* USDA guidelines. Students are able to purchase snack extras according to the schedule below if they have money in their account unless a parent requests this not be an option. If you do not want your child purchasing the extra snacks in addition to their lunch please indicate this and return with your child. You may also indicate this on your child's mealtime account. If you have any questions please call the cafeteria or main office.

Thank you,

Sandy Denison, Kitchen Manager
