Parents of "2020" Graduates

Let's just say this has been quite a year so far! From your child starting school during the horrifying 9-11-01 year to the Covid-19 virus in 2020.

As parents you know how important this milestone graduation is in a young person's life. As for the "**Class of 2020**" we are going to make that happen on Sunday, June 28, 2020.

As a local photographer, I have been asked to photograph this memory for the Graduates here at Clarke. Things will be a little different due to the self distancing that we all are abiding by for this event but we can make it work.

I am offering a **2 - 5x7** photos of your child, one receiving their diploma and a head and shoulder print of the graduate individually. The cost for the 2-5x7 prints and mailing will be \$25.00. **Order as many sets as you like.**

If you would like to purchase this special I ask that you fill out the form, include the money and have your graduate bring it with them on that day. As they walk up to the platform they may hand it to us.

* Please allow 3weeks for the photo's to be delivered by mail to your home.

Thank You!

Chris

_____ I am interested in the 2 - 5 x 7's. Please find \$25.00 enclosed.
