Patricia Mulrooney
School Nurse
Port Reading School #9

Dear Parents/Guardians:

In order to maintain a healthy school environment I need your cooperation in adhering to the following guidelines.

IMPORTANT HEALTH OFFICE INFORMATION

- If your child has a fever of 100.0 degrees or higher, he/she is not permitted to return to school until they are fever free for 24 hours without any medication
- If I send your child home from school with a fever of 100.0 degrees or higher, he/she is not allowed to return to school the next day. He/she must be fever free for 24 hours without any medication
- If your child wakes up in the morning and vomits, please keep him/her home for 24 hours.
- If your child has a bad cold (severe cough, congestion, runny nose, etc) please keep him/her home in order to recuperate and to prevent the spread of germs to others.
- * Any child who has a medical condition that requires him/her to have medication available for use in the health office, please make sure you see me so I can give you the proper paperwork to fill out ASAP.

If you have any questions you can call me at 732-602-8405

Thanks:
Mrs. Mulrooney
School Nurse
