Administrative Reports:

Mrs. Fonley reports that we are in the middle of the 3rd quarter already and the elementary has celebrated the 100th day of school. It is Kindness week and Mrs. Herman challenged the elementary with a hat and mitten drive with the goal of 100. With the SOAR (Safety, On Task, Achievement, and Respect) practices in place the elementary earned their way to an ice cream party. The middle and high school teachers are working on the “15 Fixes to Broken Grades”. The available teaching positions will be posted this week.

Mr. Fonley informed the board that our bus lease will be prolonged due to the fact that the next batch of buses will not be completed until September. We do intend to purchase one of the current buses that we lease. Mr. Fonley discussed the classes that will be added to

the Buss Center in Missouri Valley for FY 23-24.

Adjournment. The meeting adjourned at 7:16 p.m.
