Mission Statement: To develop students of character while empowering them to achieve personal success

June 19, 2020

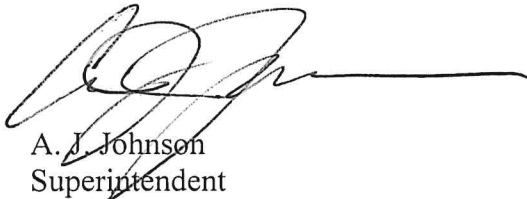

Lunch service will be ending on Monday, June 29 with the final delivery of two lunches that day. We had a great turnout and we were happy to be able to continue to support your families during a challenging time.

We still have some students who have not been to school to retrieve their belongings. Please do so immediately. There were many items in the downstairs locker room which were not marked or labeled in any way. If you do not retrieve those unmarked items by the end of next week, they will be discarded.

The NSAA has loosened some requirements for physicals for sports for the upcoming school year. They are allowing students to use physicals from last year with the exception of 7th graders and 9th graders. All 7th grade students will need to complete a physical for enrollment whether they participate in athletics or not. Any 9th grade students who will be in athletics must also have a new physical. If students plan to participate in athletics but did not last year, they will need a new physical. Any students new to the district who plan to participate in athletics will need a physical.

Have a great summer!

Sincerely,

A. J. Johnson
Superintendent
