

Verification of Service Learning Project

Student Name: _____

Name of Service Project: _____

I preapproved this service by contacting Mrs. M or Ms. L to approve this service.

Date: _____ By text / call / email / in person Signature: _____

Project Description- Remember you are doing this for a community group. Explain below how your help will be benefitting the greater community. Include what you intend to do to help out, noting this may change when you actually do the work. Use complete and legible sentences. This should be filled in before your supervisor signs this paper.

By signing below, you are validating that the above named student has completed a service project for your organization.
