FAX (732) 321-8710

Welcome to the Mildred B. Moss School Parent Access Module.

All schools in the district implemented environment-friendly goals to align with the Board of Education's "Going Green" initiative. One of the main applications of the Moss School efforts has been placing the report cards online through Genesis Parent Access. I am happy to inform you that Moss kindergarten teachers have completed report cards for the children and you can view them with just a few easy steps. First, you must know your user name and password:

User name is <PARENT_LOGON_ID>
Password is <PARENT_PASSWORD>

[GENESIS PARENT ACCESS](#)

Next, access the Genesis student data management feature by going to <http://parents.genesisedu.com/metuchen> and then click on the Genesis Parent Module link. The first time you access Genesis you will be prompted to change your password to something more meaningful to you. Please be certain to record your new password for future reference. Moss School will not have a copy of your personal password.

Once you log in, you will be on the Parent Access homepage. If you have multiple children in the Genesis system look near the top of the page for the pull down menu to select the child whose records you wish to review. Once you have selected your Moss student, click on the "grading" tab at the upper left of the homepage. Your child's report card will then pop up.

I hope you find accessing your child's report card easy and convenient. If you have any difficulties with accessing your child's report card, please send me an e-mail :

phallas@metboe.k12.nj.us

I will either correct the problem or send you a PDF of the report card. If you would like to offer any feedback on this process please do so. Your thoughts are welcomed.

Thank you,

Trisch Hallas
