*USD 480 Challenges All to Achieve Educational Excellence*

Parents of USD 480 Students:

We wish to emphasize that the school district does not provide any type of health or accident insurance for injuries incurred by your child at school.

As a service to students and their families, the school district is making available a student accident insurance plan for your child at a very nominal cost.

The premium for this policy is minimal per year for school-time coverage. All school-sponsored and supervised activities and time spent in school are covered in accordance with the terms and limitations of the policy. For an increased premium, the policy will cover your child 24-hours a day, 12 months a year, rather than only during school time. Deluxe Benefits are also available for an additional premium.

**If you are interested in this option, please contact Al Shank Insurance Agency at 24 West Second St., Liberal - phone 624-2559 for a brochure and application.**

I understand that the school district does not provide health or accident insurance for injuries occurring at school or on school property.
