

## **DDSD Earns National Music Recognition**

The Delavan-Darien School District has once again been recognized as a "Best Community for Music Education" by the NAMMM (National Association of Music Merchants) Foundation. In fact, we are one of only 754 school districts nation-wide that are among the Best Communities in the nation for music education. The award program recognizes outstanding efforts by teachers, administrators, parents, students and community leaders who have made music education part of a well-rounded education. Designations are made to districts and schools that demonstrate an exceptionally high commitment and access to music education.

Our great team of teachers, community support and enthusiastically supportive administration enable us to have outstanding offerings and high participation.
