- Small delay in the website launch, we hope to be live the week of the 22nd
- Chromebooks that were checked out for distance learning are starting to be returned. They will be cleaned and repaired for use in the fall.
- New phone system has been configured and phones are being deployed for a go live date of July 1st

Thank you for your continued support,

Rhonda Hardisty -Technology Director  
White Salmon Valley Schools

June 2020

We made it!

The last week is a busy week for us. Sending out the last of the school year meals & working on year end cleaning. We will get a week off. And then some of us will be back for the summer program. The plan for the summer program, is to cook & prep on Monday & Tuesday, Wednesday we will be assembling 5 meals into 1 large bag for pick up at HMS between 6:00 am. – 10:00 am. We are sending out surveys the last week in the meals, For those interested to let us know so we can order & prepare the appropriate amount of food.

## Board Report for June 2020

June, finally!!! I hope this letter finds all of you well and you have some fun summer plans to look forward to. The special education department is finishing strong. Our staff (teachers, paras, specialists etc.) have worked incredibly hard and are ready for a break. What strange times we are in. We will be working hard to understand how best to serve and implement programs for the fall through professional development and OSPI guidance.

### Highlights:

- Progress reports will be completed this week and sent home
- Many programs have had “virtual” celebrations this week closing out the school year
- Thirteen students on IEPs graduated this month!!
- Summer training dates have been set and professional development courses will begin on June 22!!

Thank you for all your support, please let me know if I can provide any additional information.

Report to the School Board, June 2020  
Wallace and Priscilla Stevenson Intermediate School

With a unique school year wrapping up and more specific information about the coming school year still to-be-determined, this seems like a good place to share a few thoughts in planning and reflection.

First, I'd like to share how proud I am of my staff. Each and every one of them stepped up to a new challenge thinking first of what is the best we can do for our kids. They all got on Zoom, they all have Google Classrooms, they are making videos for kids and kids are making videos for them, they delivered food and supplies, wrote letters, they tracked down kids and families we didn't see for a while, they modified their curriculums on the fly to fit a new set of resources... in short- they're amazing. Yes, there were technology challenges and things were not perfect the first time, but they took risks and did everything they could for our kids. Kudos to the WPSIS Staff.

Next, now that we've been through this, we are ready to incorporate new practices in whatever model of school we have for next year. In end-of-year meetings with each staff members, a major theme emerged: if I could do this again, I'd be ready for it and I'd set it up in this way. Eight out of 14 staff members have been through an online school training that specifically prepares them to move from traditional in-person school to online school and they are already sharing what they have learned with their team members. What we have learned already will strengthen our instruction even when things go back to 'normal', and we are already planning for those changes.

Last, you can expect to see a major effort to meet the needs of our kids' social and emotional needs in our school next year. It has been part of our plan for two years and we are moving from a planning and trial-and-error phase into a more formalized system. Each grade level has chosen weekly lessons to teach from the AWSL 'Starting in the Middle' resource and has a schedule of them. ASB is involved and will have students lead some of these lessons school wide. OSPI has directed us in the guidance to put the social and emotional need of kids first in this coming year, which is great because that was our plan anyway.

Thank you for your support and trust as we work together to plan for next year, and for another great year at WPSIS.

Sincerely,  
Brian Fraser

## June Board Report

Greetings WSVSD Board Members,

### School Events

- ❖ **Virtual Promotion Ceremony** - link goes live on the HMS Website on Thursday, June 18th
- ❖ **Virtual Welcoming to Incoming 7th graders** - link will be available on HMS website and is also going out to students and families by the end of the week
- ❖ **Virtual Band Concert** - Ryan Murtfeldt partnered with local Michael Peterson Photography to create a virtual band concert! It has been embedded into the Promotion Video.
- ❖ **Book Truck** - I spent a day traveling around the district with Jim Anderson and Amy Sacquety providing books to students. The Book Truck is a game changer in providing connection with students and families, as well as helping understand firsthand the diversity of our district.
- ❖ **Gymnasium** - Metal work by Jesse Bryan, in addition to the painting and cleaning by Tim Wilson and Jim Andring, has transformed the feeling when you walk into our building, gymnasium and classrooms. We are a team and everyone takes part in helping create a safe and welcoming place for our students, families, community and visitors. Thank you.

### Communication to Parents on 6/15

5 Things you Need to Know!

- ❖ [HMS Distance Learning Family Feedback](#) - Please provide Henkle Feedback on the adjustments made in the last month of school.
- ❖ **District Feedback Survey coming soon** - We'll be asking families for specific feedback regarding reopening in the fall to help assist in the planning process.
- ❖ **Chromebook Drop-Off** - All devices need to be dropped off at Columbia High School June 22nd & 23rd from 8-4pm
- ❖ [Virtual Promotion Ceremony](#)
- ❖ [Good-bye Parade](#)

## **Columbia High School & White Salmon Academy Graduation**

We found out a week before graduation that Klickitat County was upgraded to phase two which allowed us to have a stage walk celebration on our campus. The CHS staff came up with a plan that day and produced an [instructional video](#) for students and parents the next day. Our stage walk celebrations were held the following week on Wednesday, June 10, and Thursday, June 11. Parents were able to get pictures of their students walking across the stage, and Story Gorge was able to film the students to insert into the graduation video.

The Columbia High School graduation video was available on the WSVSD webpage, CHS webpage, and on the District Facebook page. The video was available by 11:00 am. on Saturday, June 13. The ceremony honored 91 CHS seniors and 11 WSA seniors. The welcome address was given by Christine Garza and Beatriz Cortez, and Mae Robison gave the Commencement Address. We had two outstanding performances: "Don't Dream It's Over," Performed by Aryah Nelson and Caleb Saylor; and "Upside Down," performed by Emmit Vincent, Isaiah Welch, Jed Matthias, Brandon Moore, Sean White, and Luke Samuels. I want to thank Story Gorge for doing an excellent job with the production of the [graduation video](#). I want to thank Jenna Mobely, and Emily Gehrig for making the students and staff face masks, helping to decorate for graduation, organizing the Senior Celebration Committee, and helping with film production. I would also like to thank our class sponsors, Kevin Liddiard and Amie Ell for organizing our senior class and making sure that everything was done promptly. A big thank you to Brian Morris and Rhonda Hardisty for their help with technology. I was amazed by how much time and effort was put in by our whole staff to make sure our seniors had a memorable graduation.

## **Columbia High School Scholarship Night**

This year's Columbia High School Scholarship Night was held on Tuesday, June 9, via Zoom. The principal's awards went to Mae Robison and Luke Samuels. Seventeen students received \$66,400 in scholarships. A Big thank you to Crystal Rude for organizing the event and to Rhonda Hardisty for her help with technology.

## **Columbia High School Accreditation Renewal Recommendation Report**

The Columbia High School Accreditation Team will present in front of the Washington State AESD Accreditation Committee on June 25 at 9:00 am.

The ESD 112 accreditation team reviewed the CHS SIP information and met with our students, parents, certified staff, and Classified staff on Wednesday, May 27. Their recommendations are below.

**ESD 112 recommends that Columbia High School be accredited by the Association of Educational Service Districts (AESD) for six years.**

### Commendations:

- The culture of CHS, embodied by "The Bruin Way" and supported by programs such as 'Sources of Strength' are integrated and internalized by all stakeholders. It demonstrates the considerable effort on the part of the school to build community and a positive, safe environment for all students. A parent commented that their child "is able to list at least 5 people in the school that they can rely on for support and feel strongly connected to."
- The desire to gather and include student voice and input in their learning is evident. The student assistance team is a direct outcome of this view as is evidenced by the current 4 and 5-year graduate rate and measures of success to make sure that students are visible and do not fall through the cracks. There are multiple ways for educators to connect to students to ensure their success.

- Columbia High School has implemented a Trimester schedule to provide more opportunities for students to take classes for both enhancement and acceleration. This also helps students meet the new 24 credit State Graduation Requirement. Other high schools in our state have looked to CHS for assistance and direction as they have considered implementing a Trimester schedule at their sites.

Recommendations:

- Continue the work to reexamine course offerings that build on student voice and interest and allow for multiple pathways to graduation through both advanced placement as well as CTE routes.
- Continue to seek ways to gather perception feedback and make connections to the community for students to gain relevant, meaningful learning and apply knowledge and skills gained. Parents and students commented on several internship (Women-in-Tech) and community service projects and that more of these experiences would be desirable.
- Continue the consistent use of research-based instructional strategies building wide to support student achievement aligned to the SIP goals.

White Salmon Valley School District Lunch 2020-2021 Prices:

To meet the school year 2020-2021 weighted average price requirement, set forth by USDA and OSPI Child Nutrition Services, the district will need to raise the lunch prices for next year.

**After completing the annual Paid Lunch Equity Tool (PLE), our district breakdown is as follows:**

The district's current rounded weighted average price is \$2.86. Grades PreK-3 \$2.80 and grade 4-12 \$2.90.

2020-2021 weighted average price requirement is \$3.09, rounded down to the nearest \$0.05 making it \$3.05. The price increase from 19-20 school year of \$0.19 is more than the \$0.10 cap that a district can raise pricing, therefore the **2020-2021 required weighted price is \$2.96** (an increase of \$0.10). To achieve this, both lunch categories will be raised by \$0.10.

2020-2021 lunch prices will be set as follows: **Grade PreK-3 \$2.90 and grades 4-12 at \$3.00.**

If you would like a completed copy of the Paid Lunch Equity Tool for review, and the documentation used to complete the tool, please feel free to contact me.
