

March 11, 2020

School officials are aware of the possible coronavirus case in Pine Bluff as reported today by Governor Hutchinson. We will continue to follow guidance from the Arkansas Department of Education and the Arkansas Department of Health. We will advise as new information becomes available. Information has been posted on our website and social media outlets. Parent letters were sent home with our scholars yesterday.

You can help prevent the spread of viruses by encouraging your scholar to:

- Stay home when they are sick

- Frequently wash their hands with soap and water

- Avoid touching their eyes, nose, and mouth with unwashed hands

- Cover their mouth when coughing or sneezing

Scholar wellness is a top priority, and we truly appreciate your help to keep our scholars healthy.
