Building Futures: Every Scholar, Every Day

April 5, 2020
10:30 am

JNPSD School Community:

This is the twentieth update sent to the community in our attempt to keep you apprised on the latest information available. Please stay tuned to local media, JNP phone messages, and JNP social media for continuous information updates.

The Governor should make an announcement on April 6 concerning the closure status of the state's public school systems. We will advise once this announcement is made.

Please know that we will send callouts and emails for some of these announcements. We need current contact information for all of our families. If any of your information has changed, please send the correct contact phone, email, and mailing address to Amy Arnone at aarnone@jnpsd.org or call 241-2080. She will send your information to the appropriate school staff member.

Principal Email Contacts:

1. JHS Senior Scholars:

Cap and Gown Distribution for Seniors

Monday, April 6 from 9 am to 1 pm

Titan Drive – Car Rider Loop

Please be prepared to pay any balances due either on-site or online at Jostens.com.

Schedule by last name is as follows:

9 am – 10 am A – G

10 am – 11 am H – O

11 am – 12 noon P – S

12 noon – 1 pm T – Z

We will advise on any revised plans for graduation. The UALR Stephens Center has canceled all events in May. June or July dates are the earliest consideration, and UALR did not offer any possible dates at this time. If UALR is not an option in the future, then decisions will be made on any revised plans for graduation.

2. The meal delivery schedule is attached to this update. Please be advised that times are only estimates. Several factors influence the schedule including staffing levels and number of persons waiting at each stop. As needs change, the routes may be modified. If this is the case, the schedule will be revised for each community update. Please check the schedule in each update for changes. We appreciate your patience.

3. JNPSD has established an AMI hotline specific to Jacksonville North Pulaski. The information is attached to this update. The AMI hotline will be available beginning on April 6. The hotline will have a phone number and email address, and our curriculum specialists will field questions from the community during the operating hours posted. Messages sent outside of the operating hours will be returned the next day.

4. **Elementary School Parents:** If you missed the Chromebook distribution days last week, please contact the principal of your child's school to make arrangements for obtaining a Chromebook. For parents who wish to use AMI packets, you can pick up these packets at the JNP District Office (1414 W Main St).

5. The existing juvenile curfew from 8:30 am – 2:30 pm established by Ordinance 1351 for the City of Jacksonville emphasizes that our scholars should focus on school work during this time period. Please engage in the AMI activities developed by our teachers.

6. Teachers will be in contact with scholars and/or parents at least twice per week through various means including email, phone, video, Google Classroom, etc. Updated staff email lists are posted on each school's information page at www.jnpsd.org. Please contact your teacher for any specific questions or concerns.

7. We are working on enhanced internet access in our school parking lots; however, due to the nationwide disruption in the delivery service industry, we are experiencing delays in implementing this option. Also, we are making attempts to contact internet providers in the Little Rock area to assist us in providing internet access to households that need access. We will advise of any progress made.

8. The April school board meeting will occur on April 20 at 6 pm through a digital meeting format. Information will be shared soon on public and media access to the board meeting.

We thank you for your continued support, understanding, and patience. Everyone in the school community and broader community is managing the COVID-19 situation as best as possible.

Respectfully,
