Monday – Friday

Hotline Hours: 9 am - 11 am & 1 pm - 7 pm

1. Meal delivery information is attached to this update. Any scholar 18 years or younger may participate in our breakfast / lunch program regardless of school enrollment. Scholars attending charter schools, private schools, or other school districts who live in our community may participate in the program. The bus delivery schedule is attached, and deliveries will be made at the various stops on Mondays, Wednesdays, and Thursdays until further notice.
2. The JNP District Office is closed to the public except for business by appointment only. This is effective Monday, April 13 until further notice. Staff are available by phone and email. Please contact Amy Arnone at 241-2080 or aarnone@jnpsd.org to make a specific business appointment. Also, please contact your scholar's teacher or principal if you have specific business that you need to conduct at the school.
3. We have been receiving calls about registering new scholars. Online registration is available on the JNP website, and printable forms are posted on the registration page as well. Please contact the principal of the school if you need additional information. Contact information is listed in the last few updates that are posted.
4. Elementary School Parents: For those who were not able to pick up a Chromebook during our three events, please contact the principal to make arrangements to pick up a Chromebook.

Beginning on April 13, elementary school AMI packets will be available at each school for pick up. The JNP District Office will not have packets for parent pick up.

5. The April school board meeting will occur on April 20 at 6 pm through a digital meeting format. We plan to record this meeting on our JNPSD Facebook Page using Facebook Live. The public can access the meeting via our Facebook page.

The JNPSD Community has exhibited much strength during this critical time. We thank you for your continued support, understanding, and patience. **#TitanStrong**
