JNPSD School Community:

This update contains a few reminders as information has not changed in the last few days. We appreciate your support.

**Monday – Friday**

**Hotline Hours: 9 am - 11 am & 1 pm - 7 pm**

1. The latest meal delivery information is posted in Update #25 dated April 12. Delivery days each week are Monday, Wednesday, and Thursday. There are no changes in the meal delivery bus routes at this time.
2. All school phone numbers are forwarded to the appropriate staff. This will improve response time when staff are not in the schools during certain times of the day or week.
3. We have been receiving calls about registering new scholars. Online registration is available on the JNP website, and printable forms are posted on the registration page as well. Please contact the principal of the school if you need additional information. Contact information is listed in the last few updates that are posted.
4. We will have decisions soon concerning graduation. The high school administrators have been surveying seniors and having online meetings with the seniors. The results of the public survey have been reviewed as well. Given the current situation, the best decision possible will be made when considering the options available.
5. The April school board meeting will occur on April 20 at 6 pm through a digital meeting format. We plan to record this meeting on our JNPSD Facebook Page using Facebook Live. The public can access the meeting via our JNPSD Facebook page.

We thank you for being part of the JNPSD Community. **#TitanStrong**
