Hotline Hours: 9 am - 11 am & 1 pm - 7 pm

1. The latest meal delivery information is posted in Update #25 dated April 12. Delivery days each week are Monday, Wednesday, and Thursday. There are no changes in the meal delivery bus routes at this time.

2. Senior Scholars and Families:

A virtual graduation option is being produced by Jostens and school staff. You will be advised when this is available for you.

Cap and gown photos are being shown on the video board at the stadium.

An on-site graduation ceremony is under consideration. We will have a specific date and location to announce soon. The general time frame being considered is late summer. Please understand that holding a graduation ceremony is subject to the state restrictions that may or may not be in place at the time.

Other senior announcements will be shared from the high school staff as programming is finalized.

3. We have received several calls concerning the reopening of schools. This will be a state decision. Any questions should be directed to the Arkansas Department of Education.

4. The May 4 school board meeting has been rescheduled for May 11 at 6 pm. Based on state guidance, a decision will be made whether the board meeting will be a digital format or in-person format.

Thank you for supporting JNPSD.
