Building Futures: Every Scholar, Every Day

May 15, 2020

5:21 pm

JNPSD School Community:

As we move forward to close out this school year and plan for the next one, we understand there is much uncertainty about the next few months. Many decisions concerning the opening of school in the fall will be made at the state level. State officials are soliciting input from various educator groups to consider as many options as possible. We know that you want as many answers as soon as possible, and JNP will share these updates as soon as new information becomes available.

Many lessons have been learned regarding our revised mode of school operations, and JNP teachers and administrators are working on plans for next school year. Many factors must be considered in planning for the next school year, and state guidance will play a major role in determining those plans. Please know that you will be informed of JNP's operational plans as they are developed. Updates will continue to be sent to you throughout the summer.

Please stay tuned to social media, website postings, and school calls and mailings concerning any end-of-school information. Several of these announcements pertain to Chromebook return and AMI packets. AMI activities will end on May 22 which is the last day for this school year.

1. The JHS virtual graduation will be presented on the JNPSD Facebook page at 7 pm on Monday, May 18. Look for the watch party posting. The North Little Rock Convention and Visitors Bureau will be lighting the Arkansas River bridges in our school colors to honor Jacksonville High

School graduates on this date. Also, look for special announcements in one of next week's Leader newspapers.

2. Please check updates from the following state websites for current information from the Governor's Office, Arkansas Department of Health, Arkansas Department of Education, and other state agencies:

<https://www.healthy.arkansas.gov/>

<https://arkansasready.com/>

<http://dese.ade.arkansas.gov/>

3. A parent survey may be sent to your email soon. Please update any contact information with your school. We want to make sure student and parent information is correct in our eSchool records.

Thank you for your support as we close out the last week of AMI activities for this school year.

Respectfully,

A handwritten signature in black ink, appearing to read 'Bryan Duffie', with a stylized flourish at the end.

Bryan Duffie, Ed.D.
Superintendent
